GENERAL PLAN OF DEVELOPMENT. Lotus comprises the Property encompassing, Section 1. or which will encompass Homes and other Improvements, Lots and Association Property, all as more particularly defined by tha Declaration and, in addition, lands which Declarant may add, but shall in no way be obligated to add, by one or more Supplemental Declarations. The Property initially declared herewoder is described in Exhibit "A" attached hereto. It is presently anticipated that Lotus will be developed as a planned community and contain both zero-lot line and non-zero lot line Homes. Notwithstanding the foregoing, however, Declarant reserves the right to: (a) modify its plan of development of Lotus (including, without limitation the right to modify the site plan and/or masterplan of Lotus); (b) supplement, change or reduce the recreational facilities and/or amenities (c) change and/or reduce the number of Homes and Home product types to be constructed within Lotus); and (d) add land to Lotus and/or withdraw land from Lotus; all in Declarant's sole and absolute discretion. Therefore, in the event Declarant modifies its plan of development of Lotus, adds land to Lotus and/or withdraws land from Lotus, the number of Lots, the layout and mixture of Lots and/or the size of Lots within Lotus may change. In any of such events, the Assessments required to be paid pursuant to this Declaration may increase or decrease as applicable. Declarant's general plan of development further contemplates that such Homes shall be whatever types of structures Declarant may choose from time to time which are in conformance with this Declaration. Declarant's general plan of development of Lotus may also include whatever facilities and amenities Declarant considers in its sole and absolute discretion to be appropriate for Lotus, as well as any changes thereto.

The Association is intended to be a "Homeowners Association," governed by and subject to the HOA Act, but is not in any fashion subject to or affected by the provisions of Florida's Condominium Act, Chapter 718, Florida Statues, including any aspect of regulating condominium associations. Further, the express intent of this Declaration is that the substantive rights, duties and/or obligations hereunder shall not be retroactively affected by

legislation enacted subsequent to the date of the execution of this Declaration, unless specifically stated otherwise in this Declaration.

Additional Property will become a part of Lotus if, and only if, Declarant in its sole and absolute discretion adds Additional Property to Lotus by recording a Supplemental Declaration to such effect. Declarant hereby reserves an easement for ingress and egress and for utilities and drainage over, under and across the Property for the benefit of any Additional Property; provided, however, no such easement may be granted upon any portion of the Property that lies directly beneath a Home.

Declarant expressly further has and reserves the right as to the Property to (i) commence construction and development of the Property if and when Declarant desires; (ii) develop and construct the Property (including, without limitation, the recreational facilities and amenities) upon such timetable and in such phases as Declarant, in its sole and absolute discretion, chooses and (iii) modify the plan of development of the Property (including, without limitation, the right to modify: the site plan and/or master plan of Lotus, the Water Management District Permit, the permits issued by the Drainage District, the recreational facilities and amenities the Home product types, and the number of Homes to be constructed within Lotus); all in such manner as Declarant, in its sole and absolute discretion, chooses. Nothing contained herein shall be construed as obligating Declarant to construct Lotus according to the present plan of development or as obligating Declarant to declare any Additional Property to be Property.

Section 2. ASSOCIATION PROPERTY. The Association Property shall consist of: (a) the property indicated on the Plats as Association Property or as property reserved for or dedicated to the Association, (b) any property which may be used and enjoyed by the Association by virtue of an easement or license rights in favor of the Association, and (c) any other property designated as Association Property in this Declaration or any Supplemental Declaration. The Association Property shall be used for recreational and social purposes as well as other proper purposes by the Association and the Owners and their Occupants in accordance with the Governing Documents. Association Property may not be altered, modified, removed or replaced by Owners or their Occupants.

Such portions, if any, of the Recreation Tract and Passive Rec Areas upon which Declarant has constructed or hereafter constructs Improvements shall be kept and maintained for use in a manner consistent with the nature of such Improvements located or to

be located thereon. The Recreation Tract and Passive Rec Areas shall always be kept and maintained by the Association for recreational uses or beautification and attendant uses (e.g., parking spaces within any of the Recreation Tract shall be used for proper purposes by those using the recreational facilities but only while using such facilities), and shall be used for such purposes and not for residential, commercial or industrial construction of any kind. The Recreation Tract and Passive Rec Areas shall be maintained, administered, operated and ultimately owned by the Association.

Declarant reserves the right, but shall not be obligated, to construct additional recreational facilities upon the Recreation Tract and/or Passive Rec Areas, and to modify, reduce and/or eliminate the facilities and amenities planned for the Recreation Tract and/or Passive Rec Areas (or any portions thereof). Declarant, at its sole and absolute discretion, hereby expressly reserves the right to reduce and/or modify the planned facilities, and to determine the timing of construction of the recreational facilities and installation of amenities. The decision as to whether to construct additional recreational facilities or amenities, to modify the planned facilities or amenities, to reduce the planned facilities or amenities, and/or the timing of the construction thereof, shall be in the sole and absolute discretion of Declarant.

As used in this Declaration, a "Non-Lake Lot" means and refers to a Lot in which no portion of such Lot is abutting any portion of a Lake or a twelve foot (12') drainage easement dedicated on a Plat. The Drainage Swale Easement shall be for drainage and flowage of storm water runoff, and the pipes and other ancillary equipment installed to provide for such drainage and flowage. Except as expressly provided in the following sentence, and except for any Improvements, landscaping and other additions made or installed by Declarant, no planting, landscaping and/or Improvements whatsoever, including, without limitation, pool decks, patios, screen enclosures, hedges, trees, etc. shall be permitted within the Trainage Swale Easement. Notwithstanding the foregoing, subject to approval from the Association an Owner of a Non-Lake Lot that is subject to the Drainage Swale Easement may install a poet/spa deck, patio and/or screen enclosure within the Drainage Swale Easement on such Owner's Non-Lake Lot provided that such improvement is constructed in a manner that will not discharge storm water runoff from such improvement onto any adjacent property (including, without limitation, any adjacent Owner's Lot or Association Property). In that regard, all such improvements approved to be constructed within the Drainage Swale Easement shall be designed and constructed in a manner that will retain all such storm water runoff on such Owner's Non-Lake Lot including, without limitation, installation of a commercial grade deck drain that will collect such runoff and discharge it to the side yard of the Non-Lake Lot. In addition, each Owner of a Mon-Lake Lot shall have the right to seek approval from the Association for the installation of a fence across the Drainage Swale Easement to the rear property line of the Non-Lake Lot, subject to the terms and conditions of the Governing Documents and the prior approval of the Association, the Architectural Control Committee, and otherwise in accordance with the Governing Documents.
- L. Buffer Easement An easement or easements as shown on the Plats, if any, in favor of the Association for landscape, buffer, drainage and utility purposes.
- M. Bus Stop Boarding and Alighting Area Easement. Easement granted or to be granted in favor of the County to construct and operate a bus stop, boarding and alighting area within or adjacent to Lyons Road.
- N. Platted Easements. All other easements as shown on the Plats, for the purposes stated therein.
- O. Air Space Easement. An easement over and across the Property (including all Lots, Homes, and Association Property) in favor of Declarant and the Association to operate and fly unmanned aerial vehicles including, without limitation, drones (collectively, "UAVs") subject only to limitations imposed by applicable Laws and the Association's Rules and Regulations. Such rights include, without limitation, the use of imaging and other devices to record photographs, video and sound. Use of UAVs by Declarant and the Association shall not be deemed a nuisance and shall not be interfered with by any Owner or any of Owner's Occupants. Each Owner and his/her Occupant is hereby put on notice of, and expressly consents to, such recordings and therefore waives any right to privacy resulting from

Declarant's and/or the Association's use of UAVs and the easement created hereby. This easement is not, however, for the benefit of any Owners (other than Declarant) and therefore use of UAVs by Owners and their Occupants over any portion of the Property (including, without limitation, the Association Property and/or any of the Lots, even the Lot owned by Owner) is prohibited except and to the extent expressly permitted by the Rules and Regulations, if any, regarding use and operation of UAVs by Owners and their Occupants.

Section 7. EASEMENT FOR COMMUNITY SYSTEMS. Notwithstanding anything to the contrary in this Declaration, Declarant and its affiliates and their respective designees shall have a perpetual exclusive easement over, across, upon and under the Association Property and the Lots for the installation, operation, maintenance, repair, replacement, alteration and expansion of Community Systems.

ASSIGNMENTS; ADDITIONAL EASEMENTS. The easements reserved hereunder may be assigned by Declarant or the Association in whole or in part to any city, county or state government or agency thereof, or any duly licensed or franchised public utility, or any other designee of Declarant, and after the Turnover Date, the Association, shall have and hereby reserves the right to grant and/or reserve additional easements over, under and upon the Property or portions thereof (including the portion of Lots where no physical structure of the Home is located) which may be necessary or desirable by Declarant, and after the Turnover Date, the Association. The owners hereby authorize Declarant and/or the Association to execute, on their behalf and without any further authorization, such grants of easement or other instruments as may from time to time be necessary to grant easements over and upon the Property or portions thereof in accordance with the provisions of this Declaration.

Notwithstanding anything in this Declaration to the contrary, the easement rights granted to or reserved by Declarant Declarant are not to be construed as creating an affirmative obligation to act on the part of Declarant.

The Board may, if it so determines, include a contingency or other general fund in the Association's annual budget. Reserves for replacements, capital expenditures and deferred maintenance, however, are specifically excluded from Operating Expenses. Notwithstanding anything to the contrary in the Governing Documents, and unless otherwise prohibited or limited by the HOA Act, Declarant shall be exempt from the payment or funding of any reserves, if any, established by the Board.

maddition, any expense which is required by the Declaration to be the matter of Special Assessment shall not be deemed to be an Operating Expense. Expenses which are required to be the matter of Special Assessment include, by way of example but not by way of limitation, the following: the cost of reconstructing, replacing or improving the Association Property or any portion thereof or Improvements thereon; any casualty loss affecting the Association or the Association Property to the extent such loss exceeds the insurance proceeds, if any, received by the Association as a result of such loss; any judgment against the Association (or against a Director or Directors if and to the extent such Director is, or such Directors are, entitled to be indemnified by the Association therefor pursuant to the Articles) to the extent such judgment exceeds the insurance proceeds, if any, received by the Association as a result of such judgment, or an agreement by the Association (or such Director or Directors to whom indemnification is owed) to pay amount in settlement of a lawsuit against it (or such Director or Directors) to the extent such settlement exceeds the insurance proceeds, if any, received by the Association as a result of such settlement agreement; and Legal Fees incurred by the Association in connection with litigation (whether incurred for the preparation, filing, prosecution or settlement thereof or otherwise), except Legal Fees incurred by the Association in connection with the collection of Assessments or other charges which Owners are obligated to pay pursuant to the Governing Documents or the enforcement of the use and occupancy restrictions contained in the Governing Documents, and except Legal Fees incurred for lawsuits not approved pursuant to Article XIV, Section 12 below.

The Operating Expenses with respect to the Association Property are payable by each Owner to the Association notwithstanding the fact that Declarant may not have as yet conveyed title to some or all of the Association Property to the Association.

Section 2. ESTABLISHMENT OF LIENS. Each Assessment against a Lot, together with Interest thereon, late charges imposed and costs of collection, including, but not limited to, Legal Fees, shall be the personal obligation of the Owner of such Lot. Any and all Assessments made by the Association in accordance with the provisions of the Governing Documents with Interest thereon, late charges imposed and costs of collection, including, but not limited to, Legal Fees, are hereby declared to be a charge and continuing lien (the "Assessment Lien") upon each Completed Lot against which each such Assessment is made. Said Assessment Lien shall relate back to and be effective from the date of recordation of this Declaration. However, as to first mortgages of records, the Assessment Lien is effective only from and after recording of the

claim of lien (a "Claim of Lien") in the Public Records setting forth the amounts due and owing to the Association and such other information as required by the HOA Act. Notwithstanding anything to the contrary herein contained, in the event an Institutional Mortgagee of record obtains a deed or title to a Lot as a result of foreclosure of its first mortgage or deed in lieu of foreclosure, such acquirer of a deed or title, its successors or assigns, shall be liable for Assessments pertaining to such Lot and/or chargeable to the former Owner except and to the extent limited by applicable Florida Law.

Section 3. COLLECTION OF ASSESSMENTS. In the event any Owner shall fail to pay any Assessment, or installment thereof, charged to such Owner within fifteen (15) days after the same becomes due, then the Association, through its Board, shall have any and all of the following remedies to the extent permitted by Law, which remedies are cumulative and which remedies are not in lieu of, but are in addition to, all other remedies available to the Association:

- A. A accelerate the entire amount of any Assessment for the remainder of the calendar year not with standing any provisions for the payment thereof in installments.
- B. To advance on behalf of the Owner(s) in default funds to accomplish the needs of the Association up to and including the full amount for which such Owner(s) is (are) liable to the Association and the amount or amounts of monies so advanced, together with Interest and all costs of collection thereof, including, but not limited to, Legal Fees, may thereupon be collected by the Association from the Owner(s), and such advance by the Association shall not waive the default.
- C. To file an action in equity to foreclose its lien at any time after the effective date thereof as provided in Section 2 above. The lien may be foreclosed by an action in the name of the Association in like manner as a foreclosure of a mortgage on real property. The Association, through a duly authorized officer or agent, shall have the power to bid on the Lot at the foreclosure sale, with credit given for the amount of the judgment and to acquire and hold, lease mortgage and convey the same.
- D. To file an action at law to collect said Assessment plus Interest and all costs of collection thereof, including, but not limited to, Legal Fees, without waiving any lien rights or rights of foreclosure of the Association.
- E. To charge Interest on such Assessment from the date it becomes due, as well as a late charge in the highest amount permitted by Law, and if no such late charge is designated by Law, then Twenty-Five and No/100 (\$25.00) Dollars, to defray additional collection costs.
- F. To suspend the rights of an Owner (and their Occupants) in default to use the Association Property, if such Owner is delinquent in payment of Assessments for more than ninety (90) days, subject to the Notice and Hearing provisions of Article X of this Declaration.

- G. To suspend the rights of the Owner(s) in default to vote on any matter on which Owners have the right to vote if such Owner is delinquent in payment of Assessments for more than ninety (90) days, but subject to any restrictions or prohibitions in the HOA Act.
- H. To collect any monetary obligation, including delinquent Assessments due for the Home from the rents paid by any tenant occupying the Home if the Owner has leased the Home. In such case, the tenant shall remit such delinquent Assessments and other amounts due the Association directly to the Association upon written notice from the Association that the Owner is delinquent in the payment of its monetary obligations and the tenant may deduct such amounts paid to the Association from the rent due to the Owner. The Association has the right to require Owners to use a lease addendum, the form of which may be prescribed by the Association, which provides, among other things, that the tenant will pay the rent due under the lease directly to the Association upon receipt of notice from the Association that the Owner is delinquent in amounts due to the Association.
- <u>CURING OF DEFAULT</u>. Upon full payment of all sums secured by the Assessment Lien (including, without limitation, payment of all delinquent principal, interest, late charges, costs of collection and Legal Fees), a duly authorized officer or agent of the Association shall record in the Public Records an appropriate release for the sums paid (and release of the Claim of Lien, if applicable) upon payment by the defaulting Owner of a fee, to be determined by the Association, but not to exceed Two Hundred Fifty Dollars (\$250.00), to cover the cost of preparing and recording the applicable releases.
- CUMULATIVE REMEDIES. The Assessment Lien and the rights to foreclosure and sale thereunder, shall be in addition to and not in substitution for all other rights and remedies which the Association and its assigns have hereunder and under law or in equity, including a suit to recover a money judgment for unpaid Assessments, as above provided. Notwithstanding anything to the contrary herein contained, in the event an Institutional Mortgagee of record obtains a deed or title to a Lot as a result of foreclosure of its first mortgage or deed in lieu of foreclosure, such acquirer of a deed or title, its successors or assigns, shall be liable for Assessments pertaining to such Lot and/or chargeable to the former Owner except and to the extent limited by the HOA Act. However, any third party who acquires title to a Lot as a result of a first mortgagee's foreclosure of its first mortgage upon such Lot, or by deed in lieu of foreclosure, shall be jointly and severally liable with the previous Owner for all Assessments, fees (including, without limitation Legal Fees), costs, expenses, and other monetary obligations due and owing to the Association that have accrued against the subject Lot prior to such third party acquiring title to such Lot. For purposes of additional clarification, the term "successors or assigns" as used in this Section strictly refers to any person or entity who lawfully acquires the first mortgage from the Owner's first mortgagee; therefore, a third party who acquires title as a result of the first mortgagee's foreclosure, or by deed in lieu of foreclosure, shall not be considered a successor or assignee of the first mortgagee.
- <u>Section 6.</u> <u>COLLECTION BY DECLARANT</u>. In the event for any reason the Association shall fail to collect the Assessments (or any portions thereof), Declarant shall at all times have the right (but not the obligation): (i) to advance such sums as the Association could have advanced as set

forth above; and (ii) to collect such Assessments and, if applicable, any such sums advanced by Declarant, together with Interest and costs of collection, including, but not limited to, Legal Fees.

ASSESSMENTS AND RECEIVE REIMBURSEMENT. Declarant and any Institutional Mortgagee(s) shall have the right, but not the obligation, jointly or individually, and at their sole option, to pay any of the Assessments which are in default and which may or have become a charge against any Lot(s). Further, Declarant and any Institutional Mortgagee shall have the right, but not the obligation, jointly or individually, and, at their sole option, to pay insurance premiums or fidelity bond premiums or other required items of Operating Expenses on behalf of the Association in the event the same are overdue and when lapses in policies or services may occur. Declarant and any Institutional Mortgagee paying overdue Operating Expenses on behalf of the Association will be entitled to immediate reimbursement from the Association plus Interest and any costs of collection including, but not limited to, Legal Fees, and the Association shall execute an instrument in recordable form acknowledging such reimbursement obligations and deliver the original of such instrument to each Institutional Mortgagee who is so entitled to reimbursement and to becarant if Declarant is entitled to reimbursement.

COMMUNITY SYSTEMS SERVICES. The Association shall have the right to enter Section 8. into one or more agreements" ("Bundled Service Agreements") for receipt of television (via cable, satellite or otherwise) (entertainment, telecommunication, internet, monitored alarm and/or other services (collectively Bundled Services") for Homes in Lotus. Any and all costs and expenses incurred by the Association under or pursuant to any Bundled Service Agreements entered into by the Association for Bundled Services will be assessed against all Completed Lot Owners. It is contemplated that there may be features and services that are or will be available in addition to ant not part of the Bundled Services (each, an "Optional" Service"). Notwithstanding anything to the entrary contained in this Declaration, the costs and expenses charged to the Association under the Bundled Service Agreements shall be apportioned equally, but only amongst those Homes with respect to which the Association is being charged under or pursuant to the Bundled Service Agreement except to the extent, if any, that any Owner elects to receive an Optional Service (being a service not automatically received by all Owners entitled to receive Bundled Services pursuant to the Bundled Service Agreements). Each Owner who receives an Optional Service, if any, shall be responsible for paying for the costs of such Optional Services and for any hook-up costs, any converter boxes, remote control units, and the charge therefor shall be billed directly to Owner. The foregoing shall in no way obligate Declarant or the Association to enter into any Bundled Service Agreement.

## ARTICLE VII METHOD OF DETERMINING ASSESSMENTS AND ALLOCATION OF ASSESSMENTS

Section 1. <u>DETERMINING AMOUNT OF ASSESSMENTS</u>. The total anticipated Operating Expenses for each calendar year shall be set forth in an estimated annual operating budget ("Budget") prepared by the Board as required under the Governing Documents.

A. For each Budget to be adopted prior to the Turnover Date, upon completion of a proposed Budget by the Board (but prior to its adoption), the Board shall deliver same to Declarant following which Declarant shall provide the Board: (i) the estimated number of Completed Lots that Declarant anticipates will come into existence by the end of the calendar year covered by the proposed Budget or an average number of Completed Lots for such year, and (ii) the amount of Voluntary Contributions, if any, that Declarant is willing to make pursuant to Section 5.D below and Section 7 below during the calendar year covered by the proposed Budget but which Declarant shall have absolutely no obligation whatsoever to make.

B. Using the information provided by Declarant, the Board shall then adopt the Budget in accordance with the Governing Documents which shall include "Individual Lot Assessments" as described and calculated below, and any reserves determined by the Board, but excluding any expected or possible Special Assessments.

Each Completed Lot and Incomplete Lot shall be assessed its *pro rata* portion of the total anticipated Operating Expenses, which shall be the "Individual Lot Assessment" as to each Lot.

The Individual Lot Assessment shall be based upon the level of service to each Lot and the state of the Lot's development and completion, with the Owners of Completed Lots paying the Operating Expenses on a twenty to one ratio (20:1) compared to the Owners of Incomplete Lots, calculated as set forth below. In that regard, the Individual Lot Assessment for an Incomplete Lot shall be determined by dividing the total anticipated Operating Expenses by an amount equal to the sum of: (a) the product obtained by multiplying the total number of Completed Lots by twenty (20), and (b) the sum of such product and the total number of Incomplete Lots. The Individual Lot Assessment for a Completed Lot shall be an amount equal to the product obtained by multiplying the Individual Lot Assessment for an Incomplete Lot (as calculated above) by twenty (20). The number of Completed Lots and Incomplete Lots shall be adjusted quarterly, as needed, as hereinafter set forth. At such time as Declarant has conveyed title to all of the Homes on all of the Lots, each Lot shall be a Completed Lot and the Individual Lot Assessment shall be equal for each Lot.

Notwithstanding anything in the Governing Documents to the contrary, any Assessment for Legal Fees incurred by the Association for a lawsuit shall be the subject of Special Assessment and not the subject of an Individual Lot Assessment, and only if such lawsuit is approved pursuant to Article XIII, Section 12 below, except for Legal Fees incurred by the Association in connection with the collection of assessments or other charges which Owners

are obligated to pay pursuant to the Governing Documents or the enforcement of the use and occupancy restrictions contained in the Governing Documents.

Section 2. ASSESSMENT PAYMENTS. Individual Lot Assessments shall be payable quarterly, in advance, on the first day of January, April, July and October of each year; provided, however, at the Board's option, Individual Lot Assessments may be payable monthly. Individual Lot Assessments, and the quarterly or monthly installments thereof, may be adjusted from time to time by the Board to reflect changes in the number and status of Completed Lots and Incomplete Lots (thus apportioning all such Assessments and installments thereof among all Lots at the time such installment is due), changes in the Budget or in the event the Board determines that an Assessment or any installment thereof is either less than or more than the amount actually required. When an Incomplete Lot becomes a Completed Lot during a period with respect to which an Assessment or installment thereof has already been assessed, such Completed Lot shall be deemed assessed the amount of such Assessment or installment thereof which was assessed against Completed Lots in existence at the time of such Assessment, prorated from the date the Lot became a Completed Lot through the end of the period in question. If the payment of such Assessment or installment thereof was due at the time the Lot became a completed Lot or prior thereto, said prorated amount thereof shall be immediately due and payableoLikewise, the amount paid with respect to such Completed Lot based upon the Lot's status as an Incomplete Lot, prorated from the date the Incomplete Lot became a Completed Lot to the end of the period in question, shall be credited against the amount owed as a Completed (Cot)

SPECIAL ASSESSMENTS. "Special Assessments" include, in addition to other Section 3. Assessments designated as Special Assessments in the Governing Documents and whether or not for a fee, cost or expense whick is included within the definition of Operating Expenses, those Assessments which are levied for capital improvements which include the fees, costs and expenses (whether in whole or in parts (a) of acquiring Improvements for, or on, the Association Property, (b) of reconstructing or replacing such Improvements and/or other Association Property, and/or (c) needed to supplement reconstruction, repair or replacement expenses not covered by insurance. In addition, Special Assessments may be levied against particular Lots and/or Owners to the exclusion of others based on the purpose of the Special Assessment and the benefits bestowed in fulfilling such purpose. Notwithstanding anything to the contrary herein contained, it is recognized and declared that Special Assessments shall be in addition to, and are not part of, any Individual Lot Assessment. Any Special Assessments assessed against Lots and the Owners thereof shall be paid by such Owners in addition to any other Assessments and shall be assessed in the same manner and using the same 20:1 ratio as the Individual Lot Assessment, subject to the Board's right to levy Special Assessments against only certain Lots or Owners as provided above. Special Assessments shall be paid in such installments or in a lump sum as the Board shall, from time to time, determine. Notwithstanding the foregoing, the levying of any Special Assessment after the Turnover Date shall require the affirmative consent of at least two-thirds (2/3) of all Members represented in person or by proxy at a meeting called and held in accordance with the Bylaws for all Special Assessments, except only any Special Assessment for: (a) repair, reconstruction or replacement of damaged or destroyed Improvements previously existing on Association Property (including,

without limitation, landscaping) which shall be assessed in accordance with Article XII below, (b) capital improvements necessary or desirable for the sole purpose of preservation of, or prevention of damage to Association Property, or (c) uprighting or removing any fallen or disloged trees as set forth in Article IX, Section 1.F below; which shall not require such affirmative consent of at least two-thirds (2/3) of all Members. Prior to the Turnover Date, but subject to any affirming vote of the Members if and to the extent required by the HOA Act, a Declarant-controlled Board may levy a Special Assessment. Special Assessments are not included in the guarantee set forth in Subsection Section 5.B below.

Section 4 LIABILITY OF OWNERS FOR ASSESSMENTS. By the acceptance of a deed or other instrument of conveyance of a Lot in the Property, each Owner thereof acknowledges and agrees that Each Lot and the Owners thereof are jointly and severally liable for their own Individual Lot Assessments and their applicable portion of any Special Assessments, as well as for any and all other Assessments for which they are liable, as provided for in the Governing Documents. Such Owners further recognize and covenant that they are jointly and severally liable with the Owners of all Lots for the Operating Expenses (subject to any specific limitations provided for herein such as, but not limited to, the limitation with respect to matters of Special Assessment and the limitations on the liability of Institutional Mortgagees and their successors and assigns). Accordingly, subject to such specific limitations, it is recognized and agreed by each Owner, for such Owner and such Owner's heirs, executors, successors and assigns, that in the event any Owner fails or refuses to pay such Owner's Individual Lot Assessment or any portion thereof, or such Owner's respective portion of any Special Assessment or any other Assessment, then the other Owner's may be responsible for any shortfall in receipt of Individual Lot Assessments or Special Assessments or other Assessments due to the nonpayment or underpayment by such other Owner and such additional Individual Lot Assessment or Special Assessment, or any other Assessment can and may be enforced by the Association and Declarant in the same manner as all other Assessments hereunder as provided in the Governing Documents. Each Owner further acknowledges and agrees that it is possible that the Association may collect or spend more or less than the amounts budgeted for as Operating Expenses in each adopted Budget of the Association.

- <u>Section 5.</u> <u>ASSESSMENTS PAYABLE BY DECLARANT</u>. Except as may be limited by applicable Law, Declarant has the right (at its sole election) to select one, or a combination of the following, as may be applicable:
- A. <u>Deficit Funding</u>: Pay the Deficit during the Deficit Funding Period (as defined and described in Section 6 below), in which event Declarant shall be excused from payment of its share of Assessments related to Lots owned by Declarant during the Deficit Funding Period;
- B. <u>Stated Guarantee</u>: Elect to guarantee the amount of Individual Lot Assessments and pay the Deficit during the Deficit Funding Period as provided in the HOA Act and, in the event of such election by Declarant, Declarant shall be excused from payment of its share of Assessments related to Lots owned by Declarant;

- C. <u>Assessments Based on Services Provided</u>: During and after the Deficit Funding Period, pay Individual Lot Assessments for the Lots owned by Declarant in the same manner as other Owners, but at the 20:1 ratio as described in Section 1 above; and/or
- D. <u>Voluntary Contributions</u>: During and/or after the Deficit Funding Period, subsidize the Budget of the Association as described in Section 7 below by making "Voluntary Contributions" (as hereinafter defined) in amounts determined by Declarant in Declarant's sole and applicate discretion.

Section ( DEFICIT FUNDING. In the event that Declarant elects to pay the Deficit during the Deficit Funding Period pursuant to Clause A or B of Section 5 above, which Declarant has no obligation whatsoever to do, then during the Deficit Funding Period, Declarant shall be obligated to gay the difference ("Deficit"), if any, between: (a) the Operating Expenses (other than those Operating Expenses which are properly the subject of a Special Assessment) incurred by the Association during the Deficit Funding Period, and (b) the sum of (i) the amounts assessed as Assessments against Owners during the Deficit Funding Period, and (ii) all other income and/or revenue received by or on behalf of the Association including, but not limited to, Voluntary Contributions. The Deficit, if any, to be paid by Declarant pursuant to this Section 6 shall be determined by examining the entire Deficit Funding Period, without regard to quarterly, annual or any other accounting or fiscal periods and without regard to intraperiod allocations. In that regard, in the event it is determined at the end of the Deficit Funding Period that Declarant has previously advanced funds to the Association in excess of the Deficit incurred during the Deficit Fending Period, Declarant shall be entitled to the immediate repayment from the Association of the amount of funds advanced by Declarant in excess of the Deficit. The Declarant's Deficit payment obligation, if any, expressly does not include payments of reserves, Special Assessments and or any unpaid Assessments of any kind by Owners. All Voluntary Contributions made by Declarant to the Association shall be applied to (and shall reduce) any Deficit owed to the Association by the Declarant.

"Deficit Funding Period" as used herein shall mean and be defined as the period commencing with the Effective Date of this Declaration and ending upon the sooner to occur of: (i) the Turnover Date; or (ii) the date of delivery of written notice from Declarant to Association of Declarant's termination of the Deficit Funding Period, but in no event shall such termination be effective later than the Turnover Date.

Following expiration or termination of the Deficit Funding Period, each Owner shall be obligated to pay Assessments as set forth in Section 1 above and commencing at such time, Declarant shall be required to pay Assessments on any Lots it owns but at the 20:1 ratio as provided in said Section 1.

<u>VOLUNTARY CONTRIBUTION</u>. During the period of time that Declarant is offering Homes for sale in Lotus and/or based on the number of Homes owned by Owners other than Declarant, Declarant may seek to keep Assessments lower than they otherwise may be by subsidizing the Budget of the Association by making one or more voluntary contributions in amounts determined by Declarant ("Voluntary Contributions"). The amount of any such Voluntary Contributions may vary from time to time or may be discontinued and recommenced

by Declarant from time to time. The determination to subsidize the Budget of the Association, the amount of any such Voluntary Contributions, the discontinuance and/or recommencement of any such Voluntary Contributions shall all be made by Declarant in Declarant's sole and absolute discretion and in no event shall Declarant have any obligation whatsoever to make any such Voluntary Contributions. Each Owner shall be solely responsible to review the Budget of the Association then in effect to determine if and to what extent Declarant is making any Voluntary Contributions to subsidize the Budget and thus lower the Assessments payable by the Owners that would otherwise be higher based on the Operating Expenses of the Association.

Section 8. DECLARANT'S GUARANTEED ASSESSMENT NOT THE OBLIGATION OF INSTITUTIONAL MORTGAGEES. Notwithstanding anything to the contrary herein contained, it is specifically understood and declared that each Owner, by the acceptance of a deed or other instrument of conveyance of a Lot within the Property, shall be deemed to have acknowledged and agreed that no institutional Mortgagee (other than Declarant) or any successor or assign of such Institutional Mortgagee, or any person acquiring a deed or title to any part of the Property by reason of the forecogure or otherwise of an Institutional Mortgagee shall be deemed to have made, assumed or otherwise undertaken any covenants or obligations of Declarant: (i) to guarantee the level and of dupation of any guaranteed Assessments provided for under any of the Governing Documents or tip to pay the difference between the actual Operating Expenses and the guaranteed Assessments, if any, assessed against Lots and the Owners thereof during the Deficit Funding Period (as same may have been previously extended) as may be provided for in any of the Governing Documents; provided, however, that an Institutional Mortgagee may, at its option, determine to continue the obligation of Declarant to guarantee the amount of the Assessments as herein provided Additionally, a successor declarant shall not be deemed to guarantee the level and/or duration of any guaranteed Assessments provided for under any of the Governing Documents or be obligated or pay the difference between the actual Operating Expenses and the guaranteed Assessments, if any, assessed against Lots and the Owners thereof during the Deficit Funding Period (as same may have been previously extended) unless such obligation is assumed in writing by such successor declarant.

<u>Section 9.</u> <u>WAIVER OF USE</u>. No Owner, other than Declarant, will be exempt from personal liability for Assessments duly levied by the Association for any reason whatsoever including, without limitation, the non-use of any Association Property or the Owner's Home or because of any dispute with or complaint against the Association an Owner may have. Likewise, no Owner may release the Lot owned by such Owner from the liens and charges hereof for any reason, including those stated above.

## ARTICLE VIII ARCHITECTURAL CONTROL COMMITTEE

<u>Section 1.</u> <u>MEMBERS OF THE COMMITTEE</u>. Prior to the Turnover Date, the Architectural Control Committee, sometimes referred to in this Declaration as the "Committee," shall be comprised solely of the President of the Association or the President's designee. After the Turnover Date, the Committee shall be comprised of three (3) members appointed by the

Further, the offending Owner hereby agrees to indemnify and reimburse the Association for all reasonable costs expended by the Association that exceed the Security Deposit, including Legal Fees, if any, incurred in connection therewith. By submitting a request for review and approval of bids, proposals and/or plans and specifications, along with the Security Deposit required hereunder, an Owner shall be deemed to have automatically agreed to hold harmless and indemnify the members and representatives of the Committee, the Declarant, and the Association generally, from any and all losses, claims, demands, suits, actions, causes of action, liabilities (including, without limitation, property damage, personal injury and/or death), judgments, damages (including, without limitation, all secondary, incidental, consequential, special and/or punitive damages), fines, liens, encumbrances, penalties, costs and expenses of whatever nature or kind (including, without limitation, Legal Fees), related to, arising out of and/or resulting from the Improvements or alterations (and/or the Security Deposit (including, without limitation, the disbursement thereof).

In the absence of such designation, the vote of any two (2) members of the Committee shall constitute an act of the Committee.

Section 6. NO WAIVER OF FUTURE APPROVALS. The approval of the Committee of any bids, proposals, plans and specifications and/or drawings for any work performed or proposed, or in connection with any other matter requiring the approval or consent of the Committee, shall not be deemed to constitute a waiver of any right to withhold approval or consent to any identical or similar bids, proposals, plans and specifications and/or drawings subsequently or additionally submitted for approval or consent, whether such submission is by that applicant or another applicant. Similarly, the denial of approval by the Committee of any bids, proposals, plans and specifications and/or drawings for any work performed or proposed shall not be deemed to constitute a waiver of any right to approve or consent to any identical or similar bids, proposals, plans and specifications and/or drawings subsequently or additionally submitted for approval or consent, whether such submission is by that applicant or another applicant.

Section 7. COMPENSATION OF MEMBERS. The members of the Committee shall receive no compensation for services rendered, other than reimbursement for actual out-of-pocket costs and expenses incurred by them in the performance of their duties hereunder.

- C. If upon the expiration of fifteen (15) days from the date of such notification the submitting party shall have failed to remedy such noncompliance, notification shall be given by the Committee to the Board in writing describing the nature of such failure. Upon such notice, the Board shall determine whether there is a noncompliance and, if so, the nature thereof, the estimated time for completion, and cost of correcting or removing the same. If noncompliance exists, the submitting party shall remedy or remove the same within a period of not more than thirty (30) days from the date of announcement of the Board's ruling. If the submitting party does not comply with the Board's ruling within such period, the Board, at its option, may remove the Improvement, remedy the noncompliance, or proceed in court to compel compliance and the submitting party shall reimburse the Association, upon demand, for all expenses incurred in connection therewith, including Interest and Legal Fees. If such expenses are not promptly repaid by the submitting party to the Association, the Board shall levy an Assessment against such submitting party for reimbursement, and said Assessment shall constitute a lien upon the applicable Lot and Home with the same force and effect as liens for Operating Expenses.

D. If, for any reason, notification is not given to the submitting party of acceptance within thirty (30) days after receipt of said written notice of completion from the submitting party, the Improvement and/or alteration shall be deemed to be in compliance with said approved plans.

The Committee's review and approval or disapproval of plans samitted to it for any proposed Improvement shall be based solely on considerations of the overall benefit or detriment to the community as a whole. <u>Section 16.</u> <u>WATER SUPPLY</u>. No individual water supply system shall be permitted on any of the Property, provided that one or more central water supply systems are being operated in accordance with requirements of the Governmental Authority having jurisdiction over said central system.

Section 17. FENCES. Any fence placed upon any Lot must be approved by the Architectural Control Committee, as provided in Article VIII above, prior to installation. Except as otherwise permitted in this Declaration and/or the Rules and Regulations, in no event may the Committee approve any request for a fence to be placed in any of the following areas: (a) the area between the front of a Home and the Street, Drive, Road and/or Roadway at the front of the Lot on which the Home is situated, unless specifically required by the Palm Beach County Unified Land Development Code; (b) except as expressly provided below, any Drainage Easement within the Property as set forth on the Plats or in a separate instrument recorded in the Public Records; (c) any Lake Maintenance Easement; or (d) in the area between a Home and the Home located next to it so as to preclude the Association's access to the recessed area of a Home located on

the zero lot line side of the Home. Any Privacy Fence proposed for the adjacent Lot must be located behind (to the rear of) the recess opening so that the recessed area remains accessible to the Association for maintenance purposes, but remains subject to approval by the Committee as provided in Article VIII above, prior to installation. Landscaping that creates a nedge or vegetative fence must comply with all guidelines and requirements imposed by the Committee, including, without limitation, those relating to species planted, height restrictions and permissible locations. The Owner assumes complete responsibility to maintain the fence, including, but not limited to, trimming and removal of any plants and other landscaping from the fence in the event the Committee approves the installation of a fence, it shall also have the right to require installation of certain landscaping, also subject to the Committee's approval, at the time the fence is installed.

Except as expressly provided in the Declaration, no Owner shall be permitted to: (a) attach their tenge to any perimeter fence or wall located on or within any of the Buffers or Open Space Areas, or to otherwise fence-in or enclose any portion of a Buffer or other Association Property, and/or (b) install a fence or any portion thereof within any Lake or Lake Maintenance Easement on the Property. Notwithstanding such prohibition against installing fences that enclose any portion of Association Property, the Owners of Lots that are adjacent to the Open Space Areas running parallel and along the Drainage District's L-38 Canal (i.e., the canal along the northern boundary of Lotus) shall have the right to install fencing to close in the portion of such Open Space Area immediately abutting such Owner's rear or side yard, as applicable provided, however (any such fencing: (i) must first be approved by the Architectural Control Committee, (ii) shall include operable gates to permit access to and from other parts of the Open Space Areas including, without limitation, access by the Association to maintain the sod located in the Open Space Areas (iii) shall not encroach into, or be installed over and/or across, any utility easements located within the Open Space Areas, and (iv) shall not be installed by any Owner whose Lot borders an Open Space Area with a boundary wall located therein. Although such fencing is permitted over and across the Open Space Areas as aforesaid, nothing herein allows any Owner to install, construct or place any other Improvements in or on the Open Space Area including, without limitation, landscaping, pools or pool decking, patios, screen enclosures, play equipment, etc. Each Owner who installs any fencing as provided in this paragraph shall be solely responsible for all required maintenance, repair, replacement and removal of the fencing at Owner's sole cost and expense.

Notwithstanding that an Owner has obtained the approval of the Committee to install a fence or landscape materials as provided in this Section 17, such installation shall be at the Owner's sole risk so long as Declarant has not yet begun or is engaged in the construction of a Home on an adjacent Lot. Declarant shall have the right (but not the obligation), in its sole and absolute discretion, to temporarily remove the fence if necessary in order for Declarant to complete construction of the Home on the adjacent Lot. In the event such construction activity on an adjacent Lot or Declarant's temporary removal of the fence causes damage to or destruction of such Owner's fence or landscape materials or any part thereof, the Owner on whose Lot the fence and/or landscaping has been damaged shall be required, at the Owner's expense, to repair or replace such fence and/or landscape materials in conformance with the requirements of the Committee's approval of the initial installation of the fence and/or

landscape materials and Declarant shall have no liability for any such damage or destruction. Such repair or replacement shall commence as soon as construction on the adjacent Lot has been completed and shall be pursued to completion with due diligence. For purposes of this paragraph, the term "landscape materials" shall include landscape materials located on or adjacent to any property line of a Lot, including, by way of example and not of limitation, hedges, shrubs and trees, whether associated with a fence or not.

In addition, the installation of any fence placed upon any Lot is subject to easements which run with the land. In the event that any fence is approved by the Committee and is permitted to cross any such easements, such Committee's approval is still subject to Owner first receiving written approval from the grantee of such easements and all other Governmental Authorities. In the event the grantee of any such easement which runs with the land (i.e., FPL, other utility provider or the County), its successors and/or assigns, requires the removal of any fence upon the Lot, then the Owner of said Lot shall, at the Owner's sole cost and expense, immediately remove the fence. Notwithstanding the foregoing or any permit or approval issued by a covernmental Authority to the contrary, no fence may be installed within any Lake Maintenance casement on the Property. The Owner of a Lot, when installing any fence upon the Lot, shall comply with applicable Laws in addition to the Committee approval required by Article VIII above.

Each Owner acknowledges and agrees that in order for the Association to provide the Home Landscaping Services on the Lot as provided in this Declaration, it is necessary for the Association to have access to the lawns and landscaping on the Lot. Accordingly, in the event that an Owner of a Lot desires to install a fence on such Owner's Lot, the Committee's approval of such fence may be conditioned upon, among other things, the installation of operable gates in locations and of sufficient width approved by the Committee, including, without limitation, the front sides and/or rear of the Lot. In the event Owner fails to install such operable gates, Owner shall be responsible for the maintenance and care of the lawn and landscaping on the Lot, if any, in the portion of the Lot which becomes enclosed by the fence construction. In such event, the Association shall no longer provide any of the Home Landscaping Services to such enclosed portion(s) of the Lot and Owner shall not be excused from the payment of the Assessments for the Home Landscaping Services or entitled to any reduction in Assessments for being responsible for such maintenance and care. "Maintenance and care" within the meaning of this subsection shall include, by way of example and not of limitation, mowing, edging, fertilizing and spraying of lawns, maintenance of the Irrigation System(s) or portion thereof, replacement of sod, and the trimming, fertilizing and spraying of any Hedge within the enclosed portion(s) of the Lot. The Association shall remain responsible, however, to maintain the Privacy Fence, if any, located within any such Lot. In the event the Owner fails to properly maintain such Owner's Lot and/or Home pursuant to this subparagraph, then the Association or Declarant shall have the right but not the obligation, upon fifteen (15) days written notice, to enter the property of the Owner for the purpose of performing the maintenance referred to, set forth and described in the notice. The determination of whether an Owner is failing to properly maintain and care for the property for which such Owner has the maintenance responsibility shall be determined in the sole and absolute discretion of the Association or Declarant. Further, if failure to comply relates to the Owner's obligations to

maintain and care for such Owner's Lot, Home or other Improvement, the Association shall be entitled, but not obligated, to perform such maintenance and care itself and to levy on the offending Owner an Assessment equal to the cost of performing such maintenance and any such Assessment shall constitute a lien upon the applicable Lot and Home with the same force and effect as a lien for Operating Expenses.

No Owner shall be permitted to install a fence within any Drainage Easement without the prior written consent of the Committee, which consent shall be conditioned and subject to owner's compliance with all of the following:

(i)<sub>≤</sub>

Owner shall, at Owner's sole cost and expense, obtain all permits and written approvals from the Governmental Authorities having jurisdiction over the Drainage Easement (including, without limitation, the Water Management District).

(ii) Owner may be required to install one or more operable gates within the Orainage Easement in location(s) determined by the Committee in its sole and absolute discretion, and sufficient to provide adequate access to the Association to perform its maintenance obligations required under this Declaration and adequate access to the Water Management District to access the Orainage Easement and exercise its rights in the Drainage Easement.

- (iii) Owner shall not change or alter the slope or drainage of any portion of the affected Drainage Easement. Moreover, no alteration of a drainage swale, drainage lines, and other equipment shall be authorized and any damage to any drainage swale, drainage lines, and other equipment, shall be repaired by Owner, at Owner's sole cost and expense. The Drainage Easement, as applicable, shall be immediately returned to the condition in which it existed at the time of the initial conveyance of the Lot by Declarant.
- (iv) In the event the Association and/or Governmental Authorities wish to obtain ingress and/or egress to the Drainage Easement for any purpose including, without limitation, installation, maintenance or repairs of the improvements located therein, Owner shall, at its sole cost and expense, remove those portions of the fence which may be required in order for the Association and/or Governmental Authorities to obtain access in and to the improvements. Except for emergency situations, in the event the Owner fails to comply within fifteen (15) days of receipt of written notice from the Association and/or the Governmental Authorities requesting the removal of the fence, the Association may remove any and all portion of the fence and Owner shall be responsible for all removal costs. The Association shall be entitled to levy an assessment equal to the costs of the fence removal against the Owner and its respective Lot, and such Assessment shall constitute a lien upon the applicable Lot with the same force and effect as

a lien for Operating Expenses. Owner shall, at its sole cost and expense, be responsible to replace and reinstall any portions of the fence removed pursuant to this clause (iv). Owner shall also execute and deliver such removal and indemnification agreements as may be required by the Association and/or the Governmental Authorities as a further condition of permitting a fence to be installed within any drainage easement.

Section 18. O ANTENNAE. No outside television, radio, or other electronic towers, aerials, antennae satellite dishes or devices of any type for the reception or transmission of radio or television broadcasts or other means of communication shall hereafter be erected, constructed, placed or permitted to remain on any portion of the Property or upon any improvements thereon, unless expressly approved in writing by the Association, except that this prohibition shall not apply to those satellite dishes that are one (1) meter (39.37 inches) in diameter or less, and specifically covered by 47 C.F.R. Part 1, Subpart S, Section 1.4000, as amended, promulgated under the Telecommunications Act of 1996, as amended from time to time. The Association is empowered to adopt, and amend from time to time, rules governing the types of satellite dishes or antennae which may be permitted and restrictions relating to safety, location and maintenance of satellite dishes or antennae. The Association may also adopt (and amend from time to time) and enforce reasonable rules limiting installation of permissible satellite dishes or antennae to certain specified locations, not visible from the street or neighboring properties, and integrated with the Property and surrounding landscape, to the extent that reception of an acceptable signal would not be unlawfully impaired by such rules and provided the cost of complying with such rules would not unreasonably increase the cost of installation of permissible satellite dishes or antennae. Any permissible satellite dishes or antennae shall be installed in compliance with all laws, including zoning, land-use and building regulations. Further, any Owner desiring to install permissible satellite dishes or antennae may, but is not obligated to, submit plans and specifications for same to the Architectural Control Committee to ensure compliance with the Association's rules governing the types of permissible satellite dishes and antennae and restrictions relating to safety, location and maintenance of satellite dishes and antennae.

Section 19. IMPROPER USE OF ASSOCIATION RECORDS, DIRECTORIES AND COMMUNICATIONS. No Member, Owner or Occupant shall use the Association's Official Records, membership directories or other Association communications such as, by way of example and not limitation, e-mails containing one or more Member's e-mail addresses, for any purpose whatsoever other than as strictly related to Association business. Failure to comply with the requirements of this Section 19 shall, without limitation, constitute a nuisance for which the Association may, in addition to any and all other remedies available to the Association, seek an injunction against the offending Member(s), Owner(s) and/or Occupant(s).

<u>Section 20.</u> <u>UNMANNED AERIAL VEHICLES.</u> The use of UAVs by Owner and Owner's Occupants is prohibited except and to the extent permitted by the Rules and Regulations, if any, regarding use and operation of UAVs by Owner and Owner's Occupants.

DECLARANT EXEMPTION. Declarant plans to undertake the work of constructing Homes and Improvements upon the Property and may undertake the work of constructing other buildings upon adjacent land or other property being developed or marketed by Declarant or its affiliates. The completion of the aforementioned work and the sale, rental and other transfer of Homes by Declarant and Declarant's affiliates are essential to the establishment and welfare of the Property. In order that such work may be completed and a fully oesupied community established as rapidly as possible, neither the Owners (or any of Owner's Occupants), the Association, nor the Architectural Control Committee shall do anything whatsoever to interfere with any of Declarant's or Declarant's affiliates' activities relating to the selling or constructing of Homes and Improvements upon the Property, the selling or constructing of other buildings upon adjacent land or any other property being developed or marketed by Declarant or any of Declarant's affiliates, or the sale, rental and/or other transfer of Homes by Declarant or any of Declarant's affiliates. Declarant shall specifically be exempt from any restrictions, conditions or limitations which interfere in any manner whatsoever with Declarant's plans for development, construction, sale lease, or use of the Property and to the Improvements being placed or constructed thereon, or concerning the development, construction, sale, lease or use of any other real estate developments owned by or being developed by affiliates of Declarant. This right of use and transaction of business as set forth herein and the other rights reserved by the Declarant in the Governing Documents may be assigned in writing by the Declarant in whole or in part. For the purposes of this Section 6, the term "Declarant" shall include any "Lender" which has loaned money to the Declarant to acquire or construct Improvements upon the Property, or its successors and assigns if such Lender, its successors or assigns, acquires title to any portion of the Property as a result of the foreclosure of any mortgage encumbering any portion of the Property securing any such loan to the Declarant, or acquires title thereto by deed in lieu of foreclosure. The rights and privileges of the Declarant as set forth in this

Section 6 are in addition to, and are no way a limit on, any other rights or privileges of the Declarant under any of the Governing Documents.

<u>DISPUTES AS TO USE</u>. In the event there is any dispute as to whether the use of the property or any portion or portions thereof complies with the covenants, restrictions, easements or other provisions contained in this Declaration, such dispute shall be referred to the Board, and a determination rendered by the Board with respect to such dispute shall be final and binding on all parties concerned therewith, subject to Section 4 above. Notwithstanding anything to the contrary herein contained, any use by Declarant of the Property shall be deemed a use which complies with this Declaration and shall not be subject to a contrary determination by the Board.

Section 8. AMENDMENT AND MODIFICATION. The process of amending or modifying this Declaration shall be as follows:

- A. Until the Turnover Date, all amendments or modifications shall be only made by Declarant without the requirement of the Association's consent or the consent of the Owners, except for amendments prohibited by the HOA Act; provided, however, that the Association shall, forthwith upon request of Declarant, join in any such amendments or modifications and execute such instruments to evidence such joinder and consent as Declarant shall, from time to time, request.
- B. After the Turnover Date, this Declaration may be amended at any time and from time to time by: (i) the consent of the Owners owning two-thirds (2/3) of all Lots; together with (ii) the approval or ratification of a majority of the Board. The aforementioned consent of the Owners owning two-thirds (2/3) of the Lots may be evidenced by a writing signed by the required number of Owners or by the affirmative vote of the required number of Owners at any regular or special meeting of the Association called and held in accordance with the Bylaws and evidenced by a certificate of the Secretary or an Assistant Secretary of the Association.
- C. Amendments for correction of scrivener's errors or other nonmaterial changes may be made by Declarant alone until the Turnover Date and by the Board thereafter, and without the need of consent of the Association and any Owners.
- D. Notwithstanding anything to the contrary herein contained, no amendment to this Declaration shall be effective which shall impair or prejudice the rights or priorities of Declarant or any Institutional Mortgagee under the Governing Documents without the specific written approval of such party affected thereby. In addition, and notwithstanding anything to the contrary contained herein: (1) no amendment to this Declaration shall be effective which shall eliminate or modify the provisions of Article XIII, Section 6, and any such amendment shall be deemed to impair and prejudice the rights of Declarant, and (2) no amendment inconsistent with the requirements under Article 5, Chapter F, of the County's Unified Land Development Code shall be recorded unless approved in writing by the County Attorney's office.

- E. A true copy of any recorded Amendment or Supplemental Declaration to this Declaration shall be sent certified mail by the Association to Declarant and to all Institutional Mortgagees holding a mortgage on any portion of the Property having requested Notice. The Amendment or Supplemental Declaration, as applicable, shall become effective upon its recording in the Public Records.
- F. Notwithstanding anything contained herein to the contrary, Declarant may, without the consent of any Owners, file any Amendment to this Declaration which may be required by an Institutional Mortgagee for the purpose of satisfying such Institutional Mortgagee's development criteria or such other criteria as may be established by such mortgagee's secondary mortgage market purchasers, including, without limitation, the Federal National Mortgage Association and the Federal Home Loan Mortgage Corporation; provided, however, any such Amendments described in this subparagraph must be in accordance with any applicable rules, regulations and other requirements promulgated by the United States Department of Housing and Urban Development.
- G. Any proposed amendment to the Declaration which would affect the Drainage System (including the water management portions of the Association Property), shall be submitted to the Water Management District and any other Governmental Authority having jurisdiction over the Drainage System for a determination of whether the proposed amendment necessitates a modification of the Water Management Permit for the Property.
- <u>Section 9.</u> <u>DELEGATION</u>. The Association, pursuant to a resolution duly adopted by the Board, shall have the continuing authority to delegate all or any portion of its responsibilities for maintenance, operation and administration, as provided herein, to any managing agency or entity selected by the Board from time to time and whether or not related to Declarant.

Section 10. TERM. This Declaration and the terms, provisions, conditions, covenants, restrictions, reservations, regulations, burdens and liens contained herein shall run with and bind the Property, and inure to the benefit of Declarant, the Association and the Owners and their respective legal representatives, heirs, successors and assigns for a term of fifty (50) years from the date of recording this Declaration amongst the Public Records, after which time this Declaration shall be automatically renewed and extended for successive periods of ten (10) years each unless at least one (1) year prior to the termination of such fifty (50)-year term or any such ten (10)-year extension there is recorded amongst the Public Records an instrument agreeing to terminate this Declaration signed by Owners owning two-thirds (2/3) of the Lots and Institutional Mortgagees holding first mortgages encumbering two-thirds (2/3) of all Lots encumbered by first mortgages held by Institutional Mortgagees, upon which event this Declaration shall be terminated upon the expiration of the fifty (50)-year term or the ten (10)-year extension during which such instrument was recorded.

In the event this Declaration is terminated or the Association ceases to exist for any reason, the Owners shall be jointly and severally responsible for the costs to maintain and shall maintain the Association Property in the manner described herein. This provision may not

be amended or deleted without the prior written consent of the County and this provision shall survive the termination of this Declaration and shall run with the Property in perpetuity. Any Owner may, however, petition the Circuit Court for the appointment of a Receiver to manage the affairs of the Association in the event of dissolution of the Association.

### Section 11. RIGHTS OF MORTGAGEES.

- A. Right to Notice. The Association shall make available for inspection upon request, during normal business hours or under reasonable circumstances, the Governing Documents and the books, records and financial statements of the Association to Owners and the holders insurers or guarantors of any first mortgages encumbering any portion of the Property. In addition, evidence of insurance shall be issued to each Owner and mortgagee holding a mortgage encumbering a Home upon written request to the Association.

- (3) Any professed action which would require the consent of mortgagees holding a mortgage encumbering a Lot; and
- (4) Any failure by an Owner owning a Lot encumbered by a mortgage held, insured or guaranteed by such Listed Mortgagee to perform such Owner's obligations under the Governing Documents, including, but not limited to, any delinquency in the payment of Assessments, or any other charge owed to the Association by said Owner where such failure or delinquency has continued for a period of sixty (60) days.
- C. Right of Listed Mortgagee to Receive Financial Statement. Any Listed Mortgagee shall, upon written request made to the Association, be entitled to financial statements of the Association for the prior fiscal year free of charge and the same shall be furnished within a reasonable time following such request.
- Section 12. APPROVAL OF ASSOCIATION LAWSUITS BY OWNERS. Notwithstanding anything contained herein to the contrary, in order to prevent the Board from incurring expenses not contemplated by the Governing Documents, the Association shall be required to obtain the approval of three-fourths (3/4) of the total voting interests (at a duly called meeting of the Owners at which a quorum is present) prior to engaging persons or entities for the purpose of

suing, or making, preparing or investigating any lawsuit, or commencing any lawsuit other than for the following purposes:

- (a) the collection of Assessments;
- (b) the collection of other charges which Owners are obligated to pay pursuant to the Governing Documents;

- enforcing the Association's rights and remedies under any service or supply contract between the Association and any vendor, service supplier, insurer or other party; or
  - (g) fixing a compulsory counterclaim.

The provisions of this Section 12 may not be amended or revoked (in whole or in part) without the prior written consent of Declarant, which consent may be withheld or delayed in Declarant's sole and absolute discretion. Notwithstanding the foregoing, the requirement to obtain Declarant's prior written consent shall terminate and be of no further force or effect on the date that is eleven (11) years following the Turnover Date.

Section 13. COMPLIANCE WITH PROVISIONS. Every person who owns, occupies or acquires any right, title, estate or interest in or to any Lot except as elsewhere herein provided does consent and agree to, and shall be conclusively deemed to have consented and agreed to, every limitation, restriction, easement, reservation, condition and covenant contained herein, whether or not any reference to these restrictions is contained in the instrument by which such person acquired an interest in such property. Declarant shall not in any way or manner be held liable or responsible for any violation of this Declaration by any person other than Declarant.

Section 14. SECURITY. The Association may, but shall not be obligated to, maintain or support certain activities within the Property designed to make the Property safer than it otherwise might be. Notwithstanding the foregoing, NEITHER DECLARANT NOR THE ASSOCIATION MAKES ANY REPRESENTATIONS, WARRANTIES OR GUARANTEES WHATSOEVER AS TO THE SECURITY OR SAFETY OF THE PROPERTY (OR ANY PORTION THEREOF) OR THE EFFECTIVENESS OF ANY MONITORING SYSTEM OR SECURITY SERVICE WHETHER SAME ARE PROVIDED THROUGH THE COMMUNITY SYSTEMS OR OTHERWISE. ALL OWNERS, BY ACCEPTANCE OF A DEED OR TITLE TO A LOT, AGREE TO HOLD DECLARANT AND THE ASSOCIATION HARMLESS FROM AND AGAINST ANY AND ALL LOSSES, CLAIMS, DEMANDS, SUITS, ACTIONS, CAUSES OF ACTION, LIABILITIES (INCLUDING, WITHOUT LIMITATION,

PROPERTY DAMAGE, PERSONAL INJURY AND/OR DEATH), JUDGMENTS, DAMAGES (INCLUDING, WITHOUT LIMITATION, ALL SECONDARY, INCIDENTAL, CONSEQUENTIAL, SPECIAL AND/OR PUNITIVE DAMAGES), FINES, LIENS, ENCUMBRANCES, PENALTIES, COSTS AND EXPENSES OF WHATEVER NATURE OR KIND (INCLUDING, WITHOUT LIMITATION, LEGAL FEES), RELATED TO, ARISING OUT OF AND/OR RESULTING FROM THE OCCURRENCE OF ANY CRIME OR OTHER ACT. NETER THE ASSOCIATION, DECLARANT, NOR ANY SUCCESSOR DECLARANT SHALL IN ANY WAY BE CONSIDERED INSURERS OR GUARANTORS OF SECURITY OR SAFETY WITHIN THE PROPERTY, AND WEITHER THE ASSOCIATION, DECLARANT NOR ANY SUCCESSOR DECLARANT GUARANTEE OR WARRANT, EXPRESSLY OR IMPLIEDLY, THE MERCHANTABILITY OR FITNESS FOR USE OF ANY SUCH MONITORING SYSTEM OR SECURITY SERVICE, OR THAT ANY SYSTEM OR SERVICE WILL PREVENT INTRUSIONS, FIRES, DAMAGE, INJURY, DEATH OR OTHER OCCURRENCES, OR THE CONSEQUENCES OF SUCH OCCURRENCES, REGARDLESS OF WHETHER OR NOT THE SYSTEM OR SERVICES ARE DESIGNED TO MONITOR SAME. NEITHER THE ASSOCIATION, DECLARANT, NOR ANY SUCCESSOR DECLARANT SHALL BE HELD LIABLE FOR ANY LOSS OR DAMAGE BY REASON OF FAILURE TO PROVIDE ADEQUATE SECURITY OR INEFFECTIVENESS OF SECURITY MEASURES UNDERTAKEN, IF ANY EVEN IF CAUSED BY THE NEGLIGENCE OF THE ASSOCIATION, DECLARANT AND/OR ANY SUCCESSOR DECLARANT. ALL MEMBERS, OWNERS AND OCCUPANTS OF ANY LOT OR HOME, AND OCCUPANTS OF ANY OWNER ACKNOWLEDGE AND AGREE THAT THE ASSOCIATION AND ITS BOARD, DECLARANT, AND ANY SUCCESSOR DECLARANT DO NOT REPRESENT OR WARRANT THAT (a) ANY FIRE PROTECTION SYSTEM, BURGLAR ALARM SYSTEM OR OTHER SECURITY SYSTEM WHETHER SAME ARE PROVIDED THROUGH THE COMMUNITY SYSTEMS OR OTHERWISE), VIFTANY, RECOMMENDED BY OR INSTALLED ACCORDING TO GUIDELINES ESTABLISHED BY DECEMANT OR THE COMMITTEE MAY NOT BE COMPROMISED OR CIRCUMVENTED. OR (b) THAT ANY FIRE PROTECTION OR BURGLAR ALARM SYSTEMS OR OTHER SECURITY SYSTEM (WHETHER SAME ARE PROVIDED THROUGH THE COMMUNITY SYSTEMS OR OTHERWISE) WILL IN ALL CASES PROVIDE THE DETECTION OR PROTECTION FOR WHICH THE SYSTEM IS DESIGNED OR PREVENT LOSSES INCLUDING, WITHOUT LIMITATION, LOSSES FROM FIRE, SMOKE, BURGLARY, THEFT, HOLD-UP OR OTHERWISE.

EACH MEMBER, OWNER AND OCCUPANT OF ANY LOT OR HOME FURTHER ACKNOWLEDGES, UNDERSTANDS AND AGREES THAT: (a) THE ASSOCIATION, ITS BOARD, THE ARCHITECTURAL CONTROL COMMITTEE, DECLARANT, AND ANY SUCCESSOR DECLARANT ARE NOT INSURERS OR GUARANTORS AND THAT EACH MEMBER, OWNER AND OCCUPANT OF ANY LOT OR HOME ASSUMES ALL RISKS FOR LOSS OR DAMAGE TO PERSONS AND PROPERTY, TO LOTS OR HOMES, AND (b) EACH MEMBER, OWNER, THE ASSOCIATION, ITS BOARD, THE COMMITTEE, DECLARANT, AND ANY SUCCESSOR DECLARANT HAVE MADE NO REPRESENTATIONS, WARRANTIES AND/OR GUARANTIES, NOR HAS ANY MEMBER, OWNER AND/OR OCCUPANT RELIED UPON ANY REPRESENTATIONS OR WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE, RELATIVE TO ANY FIRE AND/OR BURGLAR ALARM SYSTEMS OR OTHER SECURITY SYSTEMS (WHETHER SAME ARE PROVIDED THROUGH THE COMMUNITY SYSTEMS OR OTHERWISE), IF ANY, OR ANY SECURITY MEASURES UNDERTAKEN WITHIN THE PROPERTY.

<u>Section 15.</u> <u>COVENANT RUNNING WITH THE LAND</u>. All provisions of this Declaration shall, to the extent applicable and unless otherwise expressly provided herein to the contrary, be

construed to be covenants running with the Lots and Homes and the Property and with every part thereof and interest therein, and all of the provisions hereof shall be binding upon and inure to the benefit of Declarant and subsequent Owner(s) of the Homes, Lots and Property or any part thereof, or interest therein, and their respective heirs, successors, and assigns. Nowever, the same are not intended to create nor shall they be construed as creating any rights in or for the benefit of the general public, unless specifically provided herein to the contrary. All present and future Owners and Occupants of the Lots and Homes, as applicable, shall be subject to and shall comply with the provisions of this Declaration and the Articles, Bylaws and Rules and Regulations as they exist and may from time to time be amended. The acceptance of a deed of conveyance of a Lot, or the use of any portion of the Property shall constitute an adoption and ratification by such Owner or Occupant of the provisions of this Declaration, and the Articles, Bylaws, and Rules and Regulations of the Association. In the event that any easements granted herein shall fail for want of a grantee in being or for any other purpose, the same shall constitute and be covenants running with the land.

Section 16. NO PUBLIC RIGHT OR DEDICATION. Nothing contained in this Declaration shall be deemed to be a gift or dedication of all or any portion of the Association Property to the public, or for any public use.

Section 17. NO REPRESENTATIONS OR WARRANTIES. NO REPRESENTATIONS OR WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, HAVE BEEN GIVEN OR MADE BY DECLARANT OR ITS AGENTS OR EMPLOYEES IN CONNECTION WITH ANY PORTION OF THE ASSOCIATION PROPERTY, ITS PHYSICAL CONDITION, ZONING, COMPLIANCE WITH APPLICABLE LAWS, FITNESS FOR INTENDED USE, OR IN CONNECTION WITH THE SUBDIVISION, SALE, OPERATION, MAINTENANCE, COST OF MAINTENANCE, TAXES OR REGULATION THEREOF, EXCEPT AS SPECIFICALLY AND EXPRESSLY SET FORTH IN THIS DECLARATION.

Section 18. PUBLIC THOROUGHFARES/ROISE ABATEMENT. In conformance with County requirements, it is disclosed that the eastern boundary of Lotus is located adjacent to the Florida Turnpike, a public highway. As a result of the proximity of Lotus to the Florida Turnpike, the Homes within Lotus will be located within an area subject to noise generated by vehicles using the Florida Turnpike. Declarant has installed or will be installing noise abatement improvements determined by the County Engineer and the Florida Department of Transportation to be effective in keeping noise levels from the Florida Turnpike below the State of Florida's noise abatement criteria in effect as of the date of issuance of the development order for Lotus. In further conformance with County requirements, it is also disclosed that Lyons Road is a public thoroughfare roadway adjacent to the western boundary of the Property which contains two (2) lanes of traffic as of the Effective Date, but which could ultimately include up to four (4) lanes of traffic.

Each Owner, by acceptance of a deed or title to a Lot, acknowledges and agrees that any additional noise mitigation measures requested or desired in the future by the Owners or the Association will not be funded or constructed by the County or Declarant. Declarant does not represent, warrant or guarantee how and/or to what extent: (a) the expansion of Lyons Road, and/or (b) the traffic noise from the Florida Turnpike and/or Lyons Road will affect Lotus

and/or the use and enjoyment thereof, and Declarant shall have absolutely no liability whatsoever therefor.

Section 19. MANDATORY RECLAIMED WATER ZONE. Lotus is located within the County Water Utilities Department's "Mandatory Reclaimed Water Zone" service area. Accordingly, each owner acknowledges and agrees that Declarant has entered or will enter into one or more reclaimed water development agreement(s) whereby reclaimed water provided by the Palm Beach County Water Utilities Department will be used to recharge the Lakes in Lotus. The water from the takes (including the reclaimed water) will be used for irrigation of the Association Property and each of the individual Lots within the Community. Each Owner further acknowledges and agrees that reclaimed water is not potable and should not be consumed in any manner Motwithstanding the foregoing, as of the Effective Date, reclaimed water is not available to Lotus from the County and until such time as reclaimed water is available, the source of irrigation water for the Association Property and Lots will be from the Lakes in Lotus. Each Owner further understands and agrees that if and when reclaimed water becomes available from the County, the irrigation system for Lotus will be required to be converted to utilize such reclaimed water. All costs of installing and/or converting, as applicable, such system and all usage and consumption fees charged by the County, if any, will be paid by the Association and included as part of the Operating Expenses of the Association.

Section 20. BUS STOP. Each Owner, by acceptance of a deed or title to a Lot, acknowledges and agrees (i) that an easement has been or will be granted in favor of the County to permit the County to construct and operate abus stop boarding and alighting area within or adjacent to the Lyons Road roadway, and (ii) because Lyons Road is a public roadway, utilities and other improvements (including, without limitation, overhead power lines and/or light poles) may or may not be constructed within such roadways or any adjacent utility easements.

Section 21. SURROUNDING AGRICULTURAL USES. Each Owner by acceptance of a deed or title to a Lot acknowledges and agrees that Lotus lies in an area where adjacent and/or surrounding properties are presently zoned for and/or may be used for agricultural uses, a permissive zoning designation allowing, among other things, groves/row crops, livestock raising, private kennels, stables, farm worker quarters, and others. Declarant cannot and does not represent, warrant or guaranty the manner in which such properties are now or in the future will be used, or how same will affect Lotus, and Declarant shall have absolutely no liability whatsoever therefor.

<u>Section 22.</u> <u>NO PARTITION</u>. Except as is permitted in the Declaration or amendments thereto, there shall be no physical partition of the Association Property or any part thereof, nor shall any person acquiring any interest in the Properties or any part thereof seek any judicial partition unless the Properties have been removed from the provisions of this Declaration. This Section 22 shall not be construed to prohibit the Board from acquiring and disposing of tangible personal property nor from acquiring title to real property which may or may not be subject to this Declaration.

Section 23. VENUE. EACH OWNER ACKNOWLEDGES THIS DECLARATION LEGALLY AND FACTUALLY WAS EXECUTED IN THE COUNTY. DECLARANT HAS AN OFFICE IN THE COUNTY, AND EACH PARCEL IS LOCATED IN THE COUNTY. ACCORDINGLY, AN IRREBUTTABLE PRESUMPTION EXISTS THAT THE ONLY APPROPRIATE VENUE FOR THE RESOLUTION OF ANY DISPUTE LIES IN THE COUNTY. IN ADDITION TO THE FOREGOING, EACH OWNER AND DECLARANT AGREES THAT THE PAUE FOR RESOLUTION OF ANY DISPUTE LIES IN THE COUNTY.

Section 24. CERTAIN RESERVED RIGHTS OF DECLARANT WITH RESPECT TO COMMUNITY SYSTEMS. Without limiting the generality of any other applicable provisions of this Declaration, and without such provisions limiting the generality hereof, Declarant hereby reserves and retains to itself:

the title to any Community Systems and a perpetual exclusive easement over, under and across the Property for the placement and location thereof;

- B. The right to connect, from time to time, the Community Systems to such receiving or intermediaty transmission source(s) as Declarant may in its sole and absolute discretion deem appropriate, in location(s) on the Property as Declarant may determine in its sole and absolute discretion including, without limitation, companies licensed to provide CATV or satellite service(s) in the County, for which service(s) Declarant shall have the right to charge any users a fee (which shall not exceed any maximum allowable charge provided for in the ordinances of the applicable Cournmental Authorities;
- C. the continuing right to air conditioned space within and/or on the Association Property as Declarant may determine in its sole and absolute discretion to install, operate, maintain, repair and replace the equipment serving, providing or running the Community Systems, which location may include, without limitation, room(s) within any clubhouse or other Improvements constructed on the Association Property; and
- D. the exclusive right to offer and provide from time to time to the Association, the Lots and the Lot Owners, any and all Bundled Services through the Community Systems.

Neither the Association nor any officer, director, employee, committee member or agent thereof (including any management company) shall be liable for any damage to property, personal injury or death arising from or connected with any act or omission of any of the foregoing during the course of performing any duty or exercising any right or privilege (including, without limitation, performing maintenance work which is the duty of the Association or exercising any remedial maintenance or alteration rights under this Declaration) required or authorized to be done by the Association, or any of the other aforesaid parties, under this Declaration or otherwise as required or permitted by Law.

<u>Section 25.</u> <u>USE OF NAME AND SERVICE AND TRADEMARKS</u>. No person other than Declarant and any licensee thereof shall use the name "Lotus" or any service mark, trademark or copyrighted material associated therewith in the name or promotion of any business venture,

organization in marketing materials (including, without limitation, social media and other online uses) or other activities, whether for profit or otherwise, and whether within or outside of Lotus, in all such cases without first obtaining from Declarant a written license to do so, which license may be granted or withheld in Declarant's sole and absolute discretion. Any violation bereof shall entitle Declarant not only to all remedies (including injunctive relief) available under all state and federal intellectual property Laws, to the extent applicable, but also those set forth in this Declaration. The provisions of this Section 25 may not be amended without Declarant's prior written consent, which consent may be withheld or delayed in Declarant's sole and absolute discretion.

Section 26. CONSENT AND RELEASE FOR USE OF LIKENESS. Each Owner, by reason of having acquired ownership of a Lot, whether by purchase, gift, operation of law or otherwise, and each Occupant of a tome, by reason of his or her occupancy, use and/or participation in or attendance at any event of the Association hereby, without any prior or subsequent consent: (a) agrees to photographs and/or video (including audio) being taken of such persons: (i) during any use and/or enjoyment of Association Property, and/or (ii) participation in any and all activities sponsored, promoted or set up by or through the Declarant and/or the Association and whether or not such activities take place on the Association Property or elsewhere, and (b) hereby permits such photographs and/or video to be used by the Association, Declarant and/or Declarant's affiliates in advertising and marketing materials and/or media publications, and (c) waives any right to inspect, approve or receive any compensation for such person's photographs or videos and/or use of such person's likeness in any and all such advertising and marketing materials and/or media publications.

ASSOCIATION AND DECLARANT AS ATTORNEY-IN-FACT. Each Owner, by reason Section 27. of having acquired ownership of a lot, whether by purchase, gift, operation of law or otherwise, and each Occupant of a Home, by reason of his or her occupancy, is hereby declared to have acknowledged and agreed to his for her automatic consent to any rezoning, replatting, covenant in lieu of unity of title, change, addition or deletion made in, on or to Lotus by Declarant (hereinafter, collectively, the "Modifications") and, in respect thereto, each Owner of a Lot and Occupant of a Home hereby designates the Association to act as agent and attorney in fact on behalf of such Owner or Occupant to consent to any such Modification. If requested by Declarant, each Owner shall evidence his or her consent to a Modification in writing (provided, however, that any refusal to give such written consent shall not obviate the automatic effect of this provision). Further, each Owner, by reason of having acquired ownership of a Lot, hereby agrees to execute, at the request of Declarant, any document and/or consent which may be required by any government agency to allow Declarant and/or its affiliates to complete the plan of development of Lotus, as such plan may be hereafter amended, and each such Owner hereby further appoints Declarant as such Owner's agent and attorney-in-fact to execute, on behalf and in the name of each such Owner, any and all of such documents and/or consents. This power of attorney is irrevocable and is coupled with an interest. The provisions of this Section 26 may not be amended without Declarant's prior written consent.

The Association covenants and agrees, for itself or in a representative capacity on behalf of all Owners and Occupants, not to challenge or object (directly or indirectly) to any Neighborhood Modifications or other governmental permits and approvals whatsoever (including, without limitation, comprehensive plan changes, land use changes, rezoning requests, development orders and/or other development related requests) sought or to be sought in the future by Declarant or Declarant's affiliates (collectively, the "Approval Matters"). Accordingly, the Board shall not have any power or authority to spend any funds whatsoever of the Association or to assess the Owners for any fees, costs or expenses to challenge or object to any Approval Matters.

The provisions of this Section 27 may not be amended without Declarant's and Community Declarant's prior written consent, which consent may be withheld or delayed in their respective sole and absolute discretion.

Section 28. DECARANT'S RESERVATION OF RIGHTS. Notwithstanding anything contained in the Governing Documents to the contrary, Declarant reserves the right to change the zoning and/or land use of any portion of the Property now existing or hereafter changed to be other than single-family residential (e.g., multi-family residential or commercial) and/or to make such uses of all or any part of the Property as shall be permitted by applicable zoning regulations as they may exist from time to time. Declarant, however, is not obligated by this Declaration to cause any portion of the Property to be rezoned or developed for any such uses. In the event Declarant changes the zoning of the Property, Declarant hereby reserves the right to amend this Declaration or to create one or more sub-declarations subjecting such property(ies) to additional or different specified or prohibited uses.

Additionally, in the event Declarant changes the zoning of the Property or any portion thereof to a use other than single-family residential and amends the Governing Documents or creates a sub-declaration order to insure representation on the Board for various groups having dissimilar interests, Declarant reserves the right to establish voting groups for election of Directors to the Board. In such event, each voting group shall be entitled to elect one (1) or more Director(s) to the Board. Each voting group may have different voting rights as determined by Declarant.

In the event Declarant establishes other uses of or for the Property as aforesaid, Declarant reserves the right to change the method pursuant to which Assessments are shared among the Lots and other portions of the Property. The expenses may be divided among each type of property use (e.g., single-family residential, multi-family residential and commercial) based upon, but not necessarily proportional to, the percentage of each type of property use, the level of services received by each type of property use and other relevant factors as determined by Declarant. Additionally, expenses which specifically relate to a specific property use will only be assessed against that type of property. The percentages for each type of property will be based upon the total acreage of the Property.

<u>Section 29.</u> <u>PRIORITY OF DOCUMENTS</u>. This Declaration shall be paramount in those instances of irreconcilable conflict among or between it and the Articles, Bylaws, or Rules and

Regulations, in the absence of any express language indicating which document controls the particular subject matter; the Articles are next paramount, the Bylaws next paramount, and the Rules and Regulations most subordinate.

#### **ADDITIONS AND ALTERATIONS**

As provided in the Declaration, no Owner shall make any improvement, addition or alteration to such Owner's Lot or the exterior of such Owner's Home without the prior written approval of the Architectural Control Committee ("Committee") and a security deposit in an amount determined by the Board to cover incidental damages caused to Association Property or to an adjacent Lot on Home by virtue of such Owner's construction of improvements, additions, or alterations to such Owner's Lot or the exterior of the Home. All requests for Committee approval of any Improvement (as defined below) must be on the form designated for this purpose by and available from the Association. No changes shall be commenced until such time as the Owner is in receipt of written approval from the Committee.

### ARCHITECTURAL CONTROL COMMITTEE ("COMMITTEE"):

All exterior improvements, additions, modifications, decorations or alterations to the Lot or Home (the "Improvement") shall be reviewed by and have written approval given by the Committee. The Committee shall require the submission of plans and specifications showing the materials, color, structure, dimensions and location of the proposed Improvement in sufficient detail to assure compliance with any criteria established for approvals. Submissions shall be accompanied by justification or reasoning for the Improvement and the security deposit, if any, required by the Board to cover the costs of incidental damage caused to Association Property or total adjacent Lot or Home by virtue of an Owner's construction of improvements, additions or alterations to such Owner's Lot or exterior of the Home. Notwithstanding any criteria established, the Committee shall in its discretion determine whether the improvement shall be in harmony with or detrimental to the appearance of the Community. The Committee shall approve or disapprove the request within 45 days from receipt of all requested submission plans and materials. In the event the Committee fails to approve or disapprove a request in writing within 45 days of receipt of all requested plans, materials and information, unless a request is specifically deferred, the request shall automatically be deemed disapproved. The Committee shall employed following minimum criteria for approval or rejection of requests:

If approved by the Committee, all construction shall be subject to the terms and conditions set forth in the Committee's approval, the Governing Documents, the Rules and Regulations, and any federal, state, municipal or county ordinance, rule, statute or code or any other applicable laws or regulations (collectively, "Governmental Requirements"), including, without limitation, obtaining all proper permits.

#### **ADDITIONAL GUIDELINES FOR ADDITIONS AND ALTERATIONS**

Without limiting the generality of the criteria included on Page 2 of these Rules and Regulations and without curtailing the right of the committee or the Board in rejecting certain requests or employing judgment in evaluating requests, the following guidelines shall be considered when evaluating requests for Improvements. Note that, even in the event of strict compliance with the following guidelines, prior approval from the Committee shall be required for each and every of the following items:

- 1. Painting. The painting, staining or varnishing of the exterior of the Home, including doors and garage doors, may be approved only if the colors and style are consistent with existing improvements. Declarant's original paint color schemes provided to its original purchasers shall be the basis for determining consistency with existing improvements but shall not be the sole basis. For example, the Committee may permit Owners to stain or varnish their doors and garage doors, or replace same with wood or wood-like products notwithstanding such stain or varnish colors and/or wood or wood-like products are not provided by Declarant to its original purchasers. No Home shall have the same exterior color scheme as either of the homes placed next to it whose front elevation is on the same street frontage.
- 2. Metal or Aluminum Roofs. Metal or aluminum roofs shall not be permitted.
- 3. Temporary Structures to tents, trailers, shacks, utility sheds or other temporary buildings or structures shall be constructed or otherwise placed on a Lot.
- 4. Antennae. No antennae, microwave receiving devices, satellite receiving devices, aerials or ham radios shall be placed or erected on any Lot, within any Home or upon any other portion of the Community, except to the extent applicable law requires the Association to permit any such device, in which case such improvement shall be subject to all of the other requirements of the Governing Documents and the Committee to the maximum extent permitted by law. Satellite dishes which are reasonable in size (such as one (1) meter (39.37 inches) or less in diameter) may be approved, subject to any rules adopted by the Association relating to the location and effectiveness with respect to concealing their appearance from adjacent lots and rights of way.
- 5. Solar Panels. An Owner shall not install or attach any solar panel to the Home without the prior written consent of the Committee. The Committee shall have the right to adopt and amend from time to time, guidelines governing the type, design and size of solar panels which may be permitted, and restrictions relating to locations and the maintenance of the solar panels.
- 6. Driveways. Approval for the widening of driveways may be considered if the width shall be no wider than the outside width of the garage and only if finished with material of a selection, color and style consistent with the original installation. Approval for the refinishing of driveways with brick pavers may be approved only if the colors and styles are consistent with existing improvements and it does not interfere with any existing utilities, as determined by the Association. Widening of driveways of zero lot line homes will only considered for the non-zero side of the driveway. Owner assumes the responsibility for continued maintenance, repair and replacement of the extended driveway areas. Declarant's original brick paver schemes provided to its original purchasers (on either a standard or optional basis) shall be the basis for determining consistency with existing improvements.
- 7. Awnings. An Owner shall not install or attach any awnings to the Home without the prior written consent of the Committee.

  The Committee shall have the right to adopt, and amend from time to time, guidelines governing the type, design, size and color of awnings which may be permitted, and restrictions relating to locations and the maintenance of the awnings.
- 8. Exterior Lighting. Except for seasonal decorative lights, which may be displayed between Thanksgiving and January 31 only, all exterior lights must be approved by the Committee. Approval may be given for lighting fixtures (e.g. coach lights and entry chandeliers), subject to limited wattage, fixture sizes which are to scale with others in Community and fixture styles which are consistent with others in the Community.
- 9. Above Ground Swimming Pools and Spas. Above ground swimming pools shall not be permitted. Above ground spas shall not be permitted unless: (i) the entire spa is located under a covered patio area of the Home, or (ii) the entire spa is located within the screen enclosure of the Home and the entire base of the spa shall at all times be screened from view by all adjacent Lot Owners and from the street with the use of hedges and/or landscaping. Owner shall be required to submit a landscaping plan to the Committee to show proper screening of the spa base. Owner shall be responsible to maintain, repair and replace from time to time any hedges and/or landscaping which may be approved as part of the screening requirements for the spa.

#### ADDITIONAL GUIDELINES FOR ADDITIONS AND ALTERATIONS (continued)

- 10. Fountains and Sculptures. All fountains and sculptures to be installed in the exterior of the Home must be approved by the Committee. Certain fountains may be considered for approval if installed with timers and if to scale with the area of installation. Approved fountains may only be installed in the rear yard of an Owner's Lot, but in no event in a manner which obstructs or interferes with the view of a Lake by an adjacent Lot Owner in a material way. No fountain shall be approved or installed which exceeds 48" in height. Fountains shall only be permitted to run between the hours of 8:00 a.m. and 11:00 p.m.
- 11. Play Equipment. Permanently installed play equipment may be approved which is of a common playground type designed for children. The play equipment shall be permitted within lake maintenance, utility, drainage or access easements, except basketball before in the driveway areas. By submitting a request to the Committee to review and approve the placement of play equipment on a Lot, the Owner shall be deemed to automatically agree that the Association shall not have any responsibility for the maintenance and care, mowing, fertilization, repair and/or replacement of sod or other plantings located under the play equipment, all such responsibilities thereafter being the responsibility of the Owner of the Lot.
- 12. Basketball Hoops. All basketball hoops and backboards in front yard areas shall be permitted on a pole in the driveway only at a location which is no closer than midway between the garage door and the front property line. Temporary or mobile basketball hoops shall not be permitted except for temporary moveable units that are stored in a garage when not in use. When not stored units must be located such that the base and rim are entirely within the Lot and not in the right-of-way bounding the Lot.
- 13. Conversion of Garages. Conversion of garages to air conditioned livable space shall not be permitted except as may be permitted by applicable Governmental Requirements. Notwithstanding the foregoing, no Owner shall store any items, materials or other personal property in the garage of such Owner's Home to the extent such storage would limit or prohibit the use of the garage for the parking of at least two (2) vehicles inside of the garage.
- 14. Garage Door Screening. No portion of the opening to any garage door may be covered or enclosed by screen material.
- 15. Outdoor Furniture. Approval of outdoor furniture may be permitted only in the rear yard of a Lot and Owner shall maintain such outdoor furniture free of mildew, rust wood rot and deterioration of equipment components.
- 16. Pergolas. Pergolas may be approved by the committee, but in no event in a manner which obstructs or interferes with the view of a Lake by an adjacent Lot Owner in a material way. All pergolas must include concrete footers or other mechanism to permanently secure the structure.
- 17. Review and Inspection Fees. The Committee may set, establish and charge fees ("Review and Inspection Fees") for, among other things, processing Owner's request for proposed Improvements, review of the plans and specifications for proposed Improvements and inspection of the Improvements constructed by an Owner, which review and inspection may be performed by third parties. The Committee may require that such Review and Inspection Fees be paid in advance (i.e., at the time of submission of the Owner's application). In the event any Review and Inspection Fees remain unpaid by an Owner, in addition to the other rights of the Association, the Committee shall have the right, at its option, to: (i) not release the security deposit described below until all Review and Inspection Fees have been paid, or (ii) deduct all unpaid Review and Inspection Fees from any security deposit required to be paid by such Owner. In addition (and in addition to any other remedies under and pursuant to the Governing Documents for a failure of an Owner to perform Owner's obligations), if any Review and Inspection Fees are not paid by an Owner, the Board may levy an Assessment against such Owner for such unpaid Review and Inspection Fees, and said Assessment shall constitute a lien upon the applicable Lot and Home with the same force and effect as liens for Operating Expenses.
- 18. Security Deposit. Any Owner desiring to make Improvements may be required by the Committee, depending upon the Improvements being requested and the manner of installation of such Improvements, to provide to the Committee, at the time of the Owner's submission of plans and specifications for review and approval by the Committee, a security deposit in an amount determined by the Board (initially, Five Thousand and No/100 (\$5,000.00) Dollars) to cover costs of incidental damage caused to Association Property or to an adjacent Lot or Home by virtue of such Owner's construction of Improvements. The Committee shall have the sole and absolute discretion to determine whether a security deposit is required for the Improvements being requested. The amount of the security deposit may be increased or decreased as may be determined by the Board from time to time.

### ADDITIONAL GUIDELINES FOR ADDITIONS AND ALTERATIONS FOR OPEN PATIOS, SCREEN ENCLOSED PATIOS AND POOL DECKS

Without imiting the generality of the criteria included on Page 2 of these Rules and Regulations and without curtailing the right of the Committee or the Board in rejecting certain requests or employing judgment in evaluating requests, the following guidelines shall be considered when evaluating requests for open patios, screen enclosed patios and pool decks. Note that, even in the event of strict compliance with the following guidelines, prior approval from the Committee shall be required for each and every screen enclosure installation:

- 1. Approval for screen enclosures shall be limited to aluminum frame structures which are bronze.
- Approval for screen enclosures shall be limited to screen meshes on the enclosure which are a standard dark color (e.g. charcoal, bronze or black).
- 3. Kick plates may be approved which are no taller than 24" above the patio and/or pool deck.
- 4. Obscure screen materials shall be prohibited.
- 5. No enclosures shall be permitted at the front entries.
- 6. No aluminum or flat refing material shall be permitted. Either the existing roof line may be extended or a screen enclosure may be installed if approved by the Committee.
- 7. Open patios, screen exclosed patios and pool decks must maintain the following setbacks, assuming drainage easements and other easements do not exist and assuming that any enclosure is built with a screen roof rather than a solid roof:

- 8. Notwithstanding anything to the contrary contained in these Rules and Regulations, there shall be a minimum two foot (2') setback requirement from the side yard lot line on the "zero lot line" side of a Home for that portion of any open patio, screen enclosed patio and/or pool deck that extends beyond the foot masonry wall extending from such "zero lot line" side of the Home (the "Privacy Wall"). In addition, if an Owner installs or constructs such open patio, screen enclosed patio and/or pool deck between two feet (2') and five feet (5') from the side yard lot line on the "zero lot line" side of a Home, then a Hedge must also be installed by said Owner within the two foot (2') setback area along that portion of the open patio, screen enclosed patio and/or pool deck that extends beyond the Privacy Wall in order to provide a vegetative privacy barrier.
- 9. Except as expressly provided in this paragraph, no planting, landscaping and/or other improvement whatsoever, including, without limitation, hedges, trees, pool decks, patios, screen enclosures, etc. shall be permitted within the rear five (5') feet (the "Rear Yard Drainage Swale Area") of all "Non-Lake Lots." As used herein, a "Non-Lake Lot" means and refers to a Lot in which no portion of such Lot is abutting any portion of a Lake or a twelve foot (12') drainage easement dedicated on a Plat. The Rear Yard Drainage Swale Area is for drainage and flowage of storm water runoff,

and the pipes and other ancillary equipment installed to provide for such drainage and flowage. Notwithstanding the first sentence of this paragraph to the contrary, subject to the prior written approval from the Committee, an Owner of a Non-Lake Lot may install a pool/spa deck, patio and/or screen enclosure within the Rear Yard Drainage Swale Area provided that such pool/spa deck, patio and/or screen enclosure is constructed in a manner that will not cause storm water whoff to discharge therefrom onto any adjacent property (including, without limitation, any adjacent Owner's Lot or Association Property). In that regard, no pool/spa deck, patio and/or screen enclosure to be constructed within a Rear Yard prainage Swale Area shall be approved by the Committee unless such pool/spa deck, patio and/or screen enclosure is designed and constructed in a manner that will retain all storm water runoff within the Non-Lake Lot including, without limitation, installation of a commercial grade deck drain that will collect such runoff and discharge it to the side yard of the Non-Lake Lot. In addition, each Owner of a Non-Lake Lot shall have the right to seek approval from the Committee for the installation of a fence across the Rear Yard Drainage Swale Area to the rear property line of such Owner's Nan-Lake Lot, subject to the terms and conditions of the Lotus Documents, execution of fence removal and indemnification agreement with the Association and the prior approval of the Committee.

#### ADDITIONAL GUIDELINES FOR ADDITIONS AND ALTERATIONS - FENCES

Without limiting the generality of the criteria included on Page 2 of these Rules and Regulations and without curtailing the right of the committee or the Board in rejecting certain requests or employing judgment in evaluating requests, the following guidelines shall be considered when evaluating requests for fences. Note that, even in the event of strict compliance with the following guidelines, prior approval from the Committee shall be required for each and every fence installation:

- 1. Bronze a minimum rail fences shall be the only permissible type of fencing on the Lots within the Community. Fence heights shall be five (5') feet, with pickets spaced no closer than three (3") inches on center and no thicker than one (1") inch, unless otherwise required by the Governmental Requirements. However, if the fence serves as a pool barrier and the requirements of Palm Beach County (the "County) provide for a minimum height of the fence in excess of five (5') feet, then the height of the fence shall be the minimum height required by County requirements and all other fencing on the Lot connected and tying-in thereto shall be the same minimum height required by the County requirements so that all fencing on the Lot shall have a common and uniformed height.
- 2. No style of wood, RVC or chain link fence shall be approved.
- 3. Owners shall not be permitted to attach any items or objects to a fence without prior written approval from the Committee.
- 4. The Association may require in its sole discretion the planting of landscaping in conjunction with the installation of a fence.
- 5. Except as expressly permitted in the Declaration and/or these Rules and Regulations, no fence shall be approved or installed which encroaches into Association Property or other Lots, lakes, lake maintenance easements, lake maintenance access easements, open spaces, wetland mitigation areas, preserve tracts, conservation areas and/or wetland areas.
- 6. No fence shall be approved which is vot set back a minimum of 10' back from the front wall of the Home and at least 5' back from the sidewalk where applicable. No fences shall be attached to a neighbor's home. In considering requests for fence installations, the following may be taken into consideration: locations of air conditioning units; locations of garage access doors; and positions of adjacent Homes.
- 7. No fence shall be approved which extends in front of the front corner of a neighbor's Home where the two Homes are immediately adjacent to each other and where both Homes face the same direction. Except as expressly permitted in the Declaration and/or these Rules and Regulations no fence shall be installed within the Fence Restricted Areas. The Fence Restricted Areas include (a) the area between the front of a Home and Street, Drive or Roadway at the front of the Lot on which the Home is situated, unless specifically required by the Palm Beach County Unified Land Development Code, (b) except as otherwise provided below, any drainage easement on the Property as set forth on the Plat, any Additional Plat or in any separate instrument recorded in the public records of the County, and/or (c) any Lake Maintenance Easement.
- 8. For fences installed on corner Lots whose rear property line is common with the adjacent Lot's side property line and/or whose side property line is adjacent to or visible from a road, a landscape hedge must be installed on the outer side of the fence within the Lot to provide screening. No fence shall be permitted on corner Lots which cross a utility easement. For fences installed on corner Lots whose side property line is adjacent to a street or road, no fences shall be permitted to cross or be installed within any utility easement which runs along such side property line without the approval of the Committee, County and the utility company(ies) occupying the easement, and without a removal and indemnification agreement as may be required by the County and/or the Association.
- 9. No fence shall be approved which does not provide access to the Owner's neighbor for maintenance of the neighbor's zero lot line wall and roof overhang, if possible. All fences to be installed along the "non-zero lot line" side of a "zero lot line" Lot shall require a gate to provide access to the Owner's neighbor for maintenance of the neighbor's "zero lot line" wall and roof overhang.
- 10. For any fence, if approved, the Owner shall be responsible for the costs associated with any required removal, repair and/or replacement if that fence is erected on or adjacent to a lot line common with a Lot where the house is not yet under construction or, if under construction, not yet closed to the new Owner.
- 11. For Lots with zero lot line maintenance easements and/or roof overhang and encroachment easements, the approval and execution of fence removal and indemnification agreement with the Association shall be required.
- 12. For any fence, if approved, the Owner shall: (a) be responsible to meet all Palm Beach County requirements and criteria including, but not limited to, proper permitting and surveying, and (b) be responsible to maintain the fence, including trimming any grass or other plants from the fence.

# ADDITIONAL GUIDELINES FOR ADDITIONS AND ALTERATIONS - FENCES (continued)

- 13. Except as otherwise provided in the Declaration and/or these Rules and Regulations, no fence shall be approved which: (i) attaches to the boundary or perimeter fence or wall located within any Open Space Area or other Association Property; or (ii) would otherwise fence-in or enclose any portion of an Open Space Area or other Association Property. Notwithstanding such prohibition against installing fences that enclose any portion of Association Property, the Owners of Lots that are adjacent to the Open Space Areas running parallel and along the Drainage District's L-38 Canal (i.e., the canal along the northern boundary of Lotus) shall have the right to install fencing to close in the portion of such Open Space Area immediately, abutting such Owner's rear or side yard, as applicable provided, however, any such fencing: (i) must first be approved by the Architectural Control Committee, (ii) shall include operable gates to permit access to and from other parts of the Open Space Areas including, without limitation, access by the Association to maintain the sod located in the Open Space Areas, (i) shall not encroach into, or be installed over and/or across, any utility easements located within the Open Space Areas, and (iv) shall not be installed by any Owner whose Lot borders an Open Space Area with a boundary wall located therein. Although such fencing is permitted over and across the Open Space Areas as aforesaid, nothing herein allows any Owner to install, construct or place any other Improvements in or on the Open Space Area including, without limitation, landscaping pools or pool decking, patios, screen enclosures, play equipment, etc. Each Owner who installs any fencing as provided in this paragraph shall be solely responsible for all required maintenance, repair, replacement and removal of the fencing at Owner's sole cost and expense.
- 14. No Owner shall be permitted to install a fence within any drainage easement without the prior written consent of the Committee. The Committee may approve the installation of a fence within a drainage easement where the Owner has obtained the approval and execution of a removal and indemnification agreement, signed by Owner in a form acceptable to Palm Beach County Utilities and the Association.
- 15. In accordance with the Declaration, an owner who elects to install a fence on any portion of such Owner's Lot shall be required to install access gate(s) in locations approved by the Committee which provide adequate and sufficient access to the Association to perform the maintenance obligations. Such gates shall be five (5') feet wide and may be located in the front, rear and/or sides of the Lot, as determined by the Committee. In the event that access to any portion of a Lot by the Association becomes inaccessible or is impeded in any manner, the Owner of such Lot shall assume the full the responsibility for the maintenance and care of the lawn and landscaping located within that portion of the Lot which is inaccessible to the Association, and the Association shall have no further responsibility to do so as long as the Lot remains inaccessible or access is impeded. This maintenance includes, by way of example and not limitation, cutting of the grass, maintaining of the irrigation system, fertilization, spraying, mulching, edging and replacement of sod. There shall be no reduction in the Association assessments for the Owner in return for the preceding maintenance obligation assumed by the Owner. In addition, Owners of a Lot to which access by the Association is impeded shall be responsible to cutting and maintenance of any hedge located with Association Property which is immediately adjacent to such Owner's Lot.
- 16. To the extent a hedge is required to be installed as part of the fence approval issued by the Committee, or in the event an Owner desires to install a hedge in lieu of a fence, such hedge shall be subject to the same rules as fences as provided herein and must comply with all fencing guidelines contained within the Governing Documents, including, without limitation, rules regarding providing access to perform the Association's maintenance obligations, and any and all height and location restrictions.

#### ADDITIONAL GUIDELINES FOR ADDITIONS AND ALTERATIONS - PERMANENT GENERATORS

Without limiting the generality of the criteria included in these Rules and Regulations and without curtailing the right of the Committee or the Board in rejecting certain requests or employing judgment in evaluating requests, the following guidelines shall be considered when evaluating requests for a permanent emergency generator and other appurtenances applicable to the permanent generator (collectively, a "Generator System"). Note that, even in the event of strict compliance with the following guidelines, prior approval from the Committee shall be required for each and every installation of a Generator System on a Lot:

- 1. Location. No above-ground portions of a Generator System shall be permitted to be installed within any portion of the front yard of a Lot. No portion of a Generator System shall encroach onto: (a) any Association Property, (b) any other Lot in the Community, (c) any easements benefiting or burdening the Lot including, without limitation, utility easements, drainage easements, lake maintenance easements, lake maintenance access easements, zero lot line maintenance and/or roof overhang and encroachment easements, or (d) drainage swales on the Lot. In addition to the foregoing, the locations of the various components of the Generator System shall otherwise comply with all Governmental Requirements. THIS FIRST AMENDIMENT TO THE DECLARATION OF COVENANTS, RESTRICTIONS AND EASEMENTS FOR LOTUS (the "Amendment") is made as of the 5 day of December, 2019, by BOCA RATON ASSOCIATES WILL, LLLP, a Florida limited liability limited partnership (the "Declarant") and joined in by LOTUS HOMEOWNERS ASSOCIATION, INC., a Florida not-for-profit corporation ("the Association"), as follows:

WHEREAS, the Declaration of Covenants, Restrictions and Easements for Lotus was recorded on October 15, 2019 in Official Records Book 30955, at Page 528 of the Public Records of Palm Beach County, Florida, as amended and supplemented from time to time (the "Declaration"); and

WHEREAS, Article XIII, Section 8 of the Declaration provides that prior to the "Turnover Date" (as such term is defined in the Declaration), the Declarant may amend the Declaration without the requirement or consent of the Association or the "Owners" (as such term is defined in the Declaration), so long as such amendment is not prohibited by the HOA Act (as such term is defined in the Declaration); and

WHEREAS, Article XIII, Section 8 of the Declaration also provides that the Association shall, upon request of Declarant, join in any such amendment; and

WHEREAS, the Turnover Date has not occurred as of the date of this Amendment, and this Amendment is not prohibited by the HOA Act; and

WHEREAS, Declarant, together with the joinder and consent of the Association, desires to amend the Declaration, as further set forth herein.

**NOW, THEREFORE**, Declarant, joined in by the Association, hereby amends the Declaration as follows (deleted language is shown by strikeout, additional language is shown as sinderlined text and unaffected language is shown by "\* \* \*"):

- Recitals; Defined Terms. The above recitals are true and correct and are hereby incorporated herein by this reference as if repeated at length. All initial capitalized terms used in this amendment shall have the meanings given to such terms as set forth in the Declaration unless an alternative meaning is set forth herein.
- 2. Special Service Assessments. The Board shall have the right to assess fees, costs and expenses for any special services provided to or for the benefit of Lots and/or Owners or any portions thereof or to reimburse the Association for such fees, costs and expenses (collectively, a "Special Service Assessment"). Special Service Assessments are a type of Assessment but are in addition to other Assessments levied in accordance with the Governing Documents. Accordingly, all references in the Governing Documents to "Assessments" shall include Special Service Assessments if and to the extent levied by the Board, which Special Service Assessments are in addition to Individual to Assessments and Special Assessments. Special Service Assessments may (but are not required to be levied against particular Lots and/or Owners to the exclusion of others. Each Owner of a tot acknowledges and agrees that each Lot and the Owners thereof are jointly and severally liable for the Special Service Assessments, in addition to any other Assessments (including, without limitation, Individual Lot Assessments and Special Assessments), which such Lots and Owners are responsible to pay as provided in the Governing Documents.

The Special Service Assessment shall be based upon: (a) bids received and approved by the Board for any special services to be provided to one or more of the Lots in Lotus, and/or (b) contracts entered into by the Association for the providing of specific services to a particular Lot or Lots, which Special Service Assessments may be in different amounts for different Lots based on, among other things, such bids and/or contracts. The Board shall have the right to accept or reject any such bids and/or contracts as determined solely by the Board. By way of example, and for illustration purposes only, the Home Landscaping Services (as defined in Article IX, Section 1.F. of the Declaration) shall be a Special Service Assessment for all Completed Lots. As a further example, the fees for alarm monitoring services which are provided to Completed Lots shall also be a Special Service Assessment for such Completed Lots; however, the fees for alarm monitoring services which are provided to Association Property shall be an Operating Expense. The Board shall have the sole and absolute discretion to determine whether fees, costs and/or expenses are Special Service Assessments, as will be reflected in each annual Budget of the Association. Notwithstanding anything to the contrary, except as may be limited by applicable Law, Declarant will not be obligated to pay Special Service Assessments: (i) for Incomplete Lots owned by Declarant and/or (ii) for any special services not provided to the Lots owned by Declarant.

- 3. The first sentence of Article VII, Section 1.B. of the Declaration is hereby amended and restated as follows:
  - B. Using the information provided by Declarant, the Board shall then adopt the Budget in accordance with the Governing Documents which shall include "Individual Lot

Assessments" <u>and "Special Service Assessments"</u>, as described and calculated below, and any reserves determined by the Board, but excluding any expected or possible Special Assessments.

Article VII, Section 2 of the Declaration is hereby amended and restated as follows:

Section 2. ASSESSMENT PAYMENTS. Individual Lot Assessments and Special Service Assessments shall be payable quarterly, in advance, on the first day of January, April, July and October of each year; provided, however, at the Board's option, Individual Lot Assessments and/or Special Service Assessments may be payable monthly. Individual Lot Assessments and/or Special Service Assessments, and the quarterly or monthly installments thereof, may be adjusted from time to time by the Board to reflect changes in the number and status of Completed Lots and Incomplete Lots (thus apportioning all such Assessments and installments thereof among all Lots at the time such installment is due), changes in the Budget or in the event the Board determines that an Assessment or any installment thereof is either less than or more than the amount actually required. When an Incomplete Lot becomes a Completed Lot during a period with respect to which an Assessment or installment thereof has already been assessed, such Completed Lot shall be deemed assessed the amount of such Assessment or installment thereof which was assessed against Completed Lots in existence at the time of such Assessment, prorated from the date the bot became a Completed Lot through the end of the period in question. If the payment of such Assessment or installment thereof was due at the time the Lot became a Completed Lot or prior thereto, said prorated amount thereof shall be immediately due and payable. Nkewise, the amount paid with respect to such Completed Lot based upon the Lot's status as an Incomplete Lot, prorated from the date the Incomplete Lot became a Completed Lot to the end of the period in question, shall be credited against the amount owed as a Completed Lot.

5. Article VII, Section 6 of the Declaration is hereby amended and restated as follows:

Section 6. DEFICIT FUNDING. In the event that Declarant elects to pay the Deficit during the Deficit Funding Period pursuant to Clause A or B of Section 5 above, which Declarant has no obligation whatsoever to do, then during the Deficit Funding Period, Declarant shall be obligated to pay the difference ("Deficit"), if any, between: (a) the Operating Expenses (other than those Operating Expenses which are properly the subject of a Special Assessment) incurred by the Association during the Deficit Funding Period, and (b) the sum of (i) the amounts assessed as Assessments against Owners during the Deficit Funding Period, and (ii) all other income and/or revenue received by or on behalf of the Association including, but not limited to, Voluntary Contributions. The Deficit, if any, to be paid by Declarant pursuant to this Section 6 shall be determined by examining the entire Deficit Funding Period, without regard to quarterly, annual or any other accounting or fiscal periods and without regard to intraperiod allocations. In that regard, in the event it is determined at the end of the Deficit Funding Period that Declarant has previously advanced funds to the Association in excess of the Deficit incurred during the Deficit Funding Period, Declarant shall be entitled to the immediate repayment from the Association of the amount of funds advanced by Declarant in excess of the Deficit. The Declarant's Deficit payment obligation, if any, expressly does not include payments of reserves, <a href="Special Service Assessments">Special Service Assessments</a>, Special Assessments and/or any unpaid Assessments of any kind by Owners. All Voluntary Contributions made by Declarant to the Association shall be applied to (and shall reduce) any Deficit owed to the Association by the Declarant.

"Deficit Funding Period" as used herein shall mean and be defined as the period commencing with the Effective Date of this Declaration and ending upon the sooner to occur of: (i) the Turnover Date; or (ii) the date of delivery of written notice from Declarant to Association of Declarant's termination of the Deficit Funding Period, but in no event shall such termination be effective later than the Turnover Date.

Following expiration or termination of the Deficit Funding Period Declarant's election to pay the Deficit, if applicable, pursuant to Clause A or B of Section 5 above, each Owner shall be obligated to pay Individual Lot Assessments and Special Assessments as set forth in Section 1 above and commencing at such time, Declarant shall be required to pay Assessments on any Lots it owns but at the 20:1 ratio as provided in said Section 1.

- 6. This Amendment shart become effective upon recording amongst the Public Records of Palm Beach County, Florida.
- 7. Except as modified by this Amendment, the Declaration shall remain in full force and effect in accordance with the terms thereof. In the event any of the provisions of this Amendment shall be deemed invalid by a court of competent jurisdiction, said judicial determination shall in no way affect any of the other provisions hereof or of the Declaration, which shall remain in full force and effect, and any provisions of this Amendment deemed invalid by a court of competent jurisdiction by virtue of the term or scope thereof shall be deemed limited to the maximum term and scope permitted by law.
